COMMITTEE OF THE WHOLE
NOTICE OF PUBLIC HEARING

CHAIRMAN PHIL MENDELSON
COMMITTEE OF THE WHOLE
ANNOUNCES A PUBLIC HEARING

on

Bill 26-130, Stability and Equity in Arts Grantmaking Amendment Act of 2025

on

Thursday, April 10, 2025 at 9:30 a.m.
(in conjunction with Commission on the Arts and Humanities Budget Oversight Hearing)

Hearing Room 412 (Track B)
John A. Wilson Building
1350 Pennsylvania Avenue NW
DC Council Website (www.dccouncil.gov)

Council Chairman Phil Mendelson announces a public hearing before the Committee of the Whole on **Bill 26-130**, the "Stability and Equity in Arts Grantmaking Amendment Act of 2025." The hearing will be held at **9:30 a.m. on Thursday, April 10, 2025 in conjunction with the Commission on the Arts and Humanities Fiscal Year 2026 proposed budget hearing.**

The stated purpose of Bill 26-130 is to amend the Commission on the Arts and Humanities Act to provide for stability and equity in the awarding of General Operating Support grants to arts organizations, and to remove obsolete provisions of law. The bill would establish a baseline funding amount for general operating support grants through a statutory formula with maximum and minimum award amounts, regardless of organization size. Supplemental grant funds would then be awarded based on a number of criteria including the quality of the organization's programming or services, the charitable or philanthropic work of organizations in lifting up other artists and organizations, and encouraging diversity in organizational governance and administration.

Those who wish to testify must register using the Council's Hearing Management System at https://lims.dccouncil.gov/hearings by **5:00 p.m. on Tuesday, April 8, 2025**. **Testimony is limited to four minutes**. Witnesses who anticipate needing spoken language interpretation, or require sign language interpretation, are requested to inform the Committee office of the need as soon as possible but no later than five business days before the proceeding by emailing cow@dccouncil.gov. We will make every effort to fulfill timely requests, although alternatives may be offered. Requests received in less than five business days may not be fulfilled. Witnesses will receive instructions on how to participate by Zoom prior to the hearing. If you have additional questions, please contact Evan Cash, Committee and Legislative Director, at (202) 724-8196 or cow@dccouncil.gov.

Public witnesses may participate in person or virtually via the Internet on the Zoom Video Conference platform. Testimony should be submitted through the Council's Hearing Management System (https://lims.dccouncil.gov/hearings) in advance of the hearing. That testimony will be publicly accessible upon Committee review. If you are unable to testify at the hearing, written statements are encouraged and will be made a part of the official record. Statements for the record should be submitted through the Hearing Management System or left by voicemail by calling (202) 430-6948 (up to 3 minutes which will be transcribed). The record will close at 5:00 pm on April 24, 2025.

(Square 5094, Lot 104) (the "Property").

The Property is located in the Deanwood neighborhood of the District and is bounded by Nannie Helen Burroughs Avenue, NE to the northeast, private property to the southeast and south, and a park to the west. The Property has approximately 23,054 square feet of land area and is generally rectangular in shape. The Property is located within the boundaries of ANC 7C.

The Property is currently zoned MU-3A, as are the majority of properties abutting Nannie Helen Burroughs Avenue, N.E. to the southeast of the Property. Other nearby zones include the RA-2 and PDR-1 zones. The application proposes to rezone the Property to the MU-7B zone.

The Property is located within the boundaries of the Far Northeast and Southeast Area Element of the Comprehensive Plan. FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

Z.C. Case No. 24-19 (District of Columbia Child and Family Services Agency- Text Amendment to Subtitle B § 100.2 of Title 11 DCMR-Definition of Youth Residential Care Home)

THIS CASE IS OF INTEREST TO ALL ANCS

Oral and Written Testimony

- All who wish to testify in this case are **strongly encouraged** to sign up to do so **at least 24 hours prior to the start of the hearing** on OZ's website at https://dcoz.dc.gov/service/sign-testify – see below: *How to participate as a witness – oral statements*.
- All written comments and/or testimony **must be submitted to the record at least 24 hours prior to the start of the hearing** – see below: *How to participate as a witness – written statements*.

On December 5, 2024, the District of Columbia Child and Family Services Agency (DCCFSA) filed a petition (Petition) with the Commission proposing an amendment to Title 11 of the District of Columbia Municipal Regulations (Zoning Regulations of 2016, the "Zoning Regulations," to which all references herein refer unless otherwise specified) to change the definition of a Youth Residential Care Home to specify that a home can house individuals under the age of 21. Currently, the Zoning Regulations define a Youth Residential Care Home as a home that can house individuals under the age of 18.

DCCFSA requested that the Commission:

- Set the petition down for a public hearing;
- Consider taking emergency action to adopt the text amendment to prevent youth up to age twenty-one 21) from having to find alternative placements when DCCFSA's current group home contracts expire later this year; and
- Authorize an immediate publication of proposed rulemaking for the text amendment.

At its January 30, 2025 public meeting, the Commission agreed with the Office of Planning's proposed revisions to DCCFSA's originally proposed language to replace "individuals less than eighteen (18) years of age" with "children"; and to simplify the language that referenced children would have to be in the custody of DCCFSA who would then evaluate if they meet the

requirements of Chapter 23 of Title 16 of the D.C. Code. At the public meeting, the Commission voted to grant DCCFSA's request, as revised by the Office of Planning, to:

- Take emergency action to adopt the text amendment;
- Set the petition down for a public hearing; and
- Authorize an immediate publication of proposed rulemaking for the text amendment.

The Commission concluded that taking emergency action to adopt the text amendment was necessary for the "immediate preservation of the public … welfare," as authorized by § 6(c) of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206; D.C. Official Code § 2-505(c) (2016 Repl.)), to avoid any of DCCFSA's current group home contracts from expiring before the proposed text amendment became effective.

The complete record in the case, including the Office of Planning report and the transcript of the public meeting, can be viewed online at the Office of Zoning website, through the Interactive Zoning Information System (IZIS), at **https://app.dcoz.dc.gov/Content/Search/Search.aspx**.

EMERGENCY/PROPOSED TEXT AMENDMENT

The following amendments to the text of the Zoning Regulations are adopted on an emergency basis, and are proposed for the Commission's final consideration (additions are shown in **bold** and **underlined** text and deletions are shown in **bold** and ~~**strikethrough**~~ text):

I. Amendment to § 100.2 of Chapter 1, DEFINITIONS, of Subtitle B, DEFINITIONS, RULES OF MEASUREMENT, AND USE CATEGORIES

The definition of Youth Residential Care Home is amended as follows:

Youth Residential Care Home: A facility providing safe, hygienic, sheltered living arrangements for one (1) or more ~~**individuals less than eighteen (18) years of age**~~ **children**, not related by blood, adoption, or marriage to the operator of the facility, who are ambulatory and able to perform the activities of daily living with minimal assistance**. For purposes of this definition, a child means any individual who is:**

a. Under eighteen (18) years old; or

b. Eighteen (18) to twenty (20) years old and in the care and custody of the Child and Family Services Agency or its successor agency.

Proposed amendments to the Zoning Regulations of the District of Columbia are authorized pursuant to the Zoning Act of June 20, 1938 (52 Stat. 797, as amended; D.C. Official Code § 6-641.01, *et seq*. (2018 Repl.)) and pursuant to § 6 of the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1206, as amended; D.C. Official Code § 2-505 (2016 Repl.)).

This virtual public hearing will be conducted in accordance with the rulemaking case provisions Subtitle Z, Chapter 5 of the Zoning Regulations as well as the text adopted by the Commission on

October 15, 2020, in Z.C. Case No. 20-11, as published in the Notice of Final Rulemaking published in the *D.C. Register* on October 30, 2020.

The Director of the District Department of Transportation (DDOT), pursuant to the authority set forth in Sections 5, 8 and 10b of the Underground Facilities Protection Act of 1980, effective January 7, 1981 (D.C. Law 23-186; D.C. Official Code §§ 34-2704, 34-2707, 34-2711), and Mayor's Order 2023-006, dated January 10, 2023, hereby gives notice of her intent to adopt the following amendments to Chapter 34 (Public Space Management of Excavation Work) of Title 24 (Public Space and Safety) of the District of Columbia Municipal Regulations (DCMR) in not less than thirty (30) days after the date of publication of this notice in the *District of Columbia Register*.

This rulemaking incorporates into the DCMR underground facility marking requirements established in the Underground Facilities Protection Act of 1980, and implements them with a color-coding system, based on the American Public Works Association's uniform color code, for identifying and marking underground facilities. The rulemaking also establishes fines for failure to comply with these requirements.

Chapter 34, PUBLIC SPACE MANAGEMENT OF EXCAVATION WORK, of Title 24, PUBLIC SPACE AND SAFETY, of the DCMR is amended as follows:

A new Section 3406, IDENTIFYING UNDERGROUND FACILITIES, is added to read as follows:

3406 IDENTIFYING UNDERGROUND FACILITIES

3406.1 All utility operators, and all District government agencies and instrumentalities, shall mark their underground facilities in response to a notification of excavation or demolition received pursuant to Section 5 of the Underground Facilities Protection Act of 1980, effective January 7, 1981 (D.C. Law 23-186; D.C. Official Code § 34-2704) ("Section 5 of the UFPA"), within the time frame and manner set forth in Section 5 of the UFPA.

3406.2 All utility operators, and all District government agencies and instrumentalities, shall use the following uniform color-coding system to mark their underground facilities:

(a) Underground facilities used for potable water shall be marked in blue.

(b) Sewers and drain lines shall be marked in green.

(c) Communications, alarms, or signal line cables and conduits shall be marked in orange.

(d) Temporary survey markings shall be marked in pink.

(e) Reclaimed water, irrigation, and slurry lines shall be marked in purple.

(f) Electric power lines, cables, and conduit/lighting cables shall be marked in red.

(g) The proposed excavation area shall be marked in white.

(h) Underground facilities used for gas, oil, steam, petroleum, or gaseous materials shall be marked in yellow.

3406.3 For the purposes of this section, the term "utility operator" shall have the meaning set forth in Section 2(8) of the Underground Facilities Protection Act of 1980, effective March 4, 1981 (D.C. Law 3-129; D.C. Official Code § 34-2701(8)).

A new Section 3407, FINES, is added to read as follows:

3407 FINES

3407.1 Failure to comply with excavation notification requirements found at D.C. Official Code § 34-2704 is a Class 1 infraction pursuant to the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985, effective October 5, 1985 (D.C. Law 6-42; D.C. Official Code § 2-1801.01, *et seq*.), and 16 DCMR §§ 3200 and 3201.

3407.2 Failure to comply with requirements for identifying and marking underground facilities pursuant to §§ 3407.1 and 3407.2 is a Class 1 infraction pursuant to the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985, effective October 5, 1985 (D.C. Law 6-42; D.C. Official Code §§ 2-1801.01, *et seq*.) and 16 DCMR §§ 3200 and 3201.

All persons interested in commenting on the subject matter in this proposed rulemaking may file comments in writing, not later than thirty (30) days after the publication of this notice in the *District of Columbia Register*, with Emily Bell, Policy and Legislative Affairs Division, DDOT, 250 M Street, S.E., Washington, D.C. 20003. An interested person may also send comments by email to publicspace.policy@dc.gov. Copies of this proposed rulemaking are available, at cost, by writing to the above address, and are also available electronically, at no cost, on the Office of Documents and Administrative Issuances' website at www.dcregs.dc.gov.

DISTRICT OF COLUMBIA DEPARTMENT OF BUILDINGS

NOTICE OF ADMINISTRATIVE BULLETIN 2025-03

Office of Construction and Building Standards

Issuer: Nicole Rogers
Chief Building Official

Issuance Date: 03/10/2025

Effective Date: Upon publication in the *DC Register* on 03/21/2025

Purpose: This document provides clarification and guidance on the Department of Buildings' interpretation of 12-A DCMR § 109.4.1.1 and §§ 1701, *et seq*. regarding the obligations of Third-Party Special Inspection Agencies (TPSIAs) to document and monitor sequences of construction prior to and during construction.

Code Sections: 12-A DCMR § 109.4.1.1 and §§ 1701, *et seq*.

Subject: Third-Party Special Inspection Agencies (TPSIAs) and Compliance with Structural Sequences of Construction

---

The Code Official is authorized by 12-A DCMR § 104.1 to clarify and interpret the *Construction Codes* and to adopt policies and procedures in order to clarify the application of its provisions.

This *Administrative Bulletin* provides clarification and guidance to approved Third-Party Special Inspection Agencies (TPSIAs) regarding the 2017 District of Columbia Building Code - 12A DCMR § 109.4.1.1 and §§ 1701, *et seq*., and the requirement to follow and document the structural sequences of construction as stated in Section VII. RESPONSIBILITIES, DOB or Third-Party Inspector of the Special Inspection Policy Manual (page 35).

TPSIAs are required to verify that the necessary structural inspections are conducted in accordance with the construction schedule and the sequences of construction as per the *approved construction documents*. The sequences of construction shall be discussed and documented in the Preconstruction meeting minutes submitted to the Department of Buildings (DOB) and monitored throughout the construction process.

Scope:
This issuance applies to all Third-Party Special Inspection Agencies (TPSIAs) responsible for overseeing structural inspections on construction projects under the jurisdiction of DOB.

Policy:

Preconstruction Meeting Discussion:

The TPSIA must participate in the preconstruction meeting for each project. During the preconstruction meeting, the TPSIA is required to actively review and confirm with the Structural Engineer of Record (SER) the structural sequences of construction, including but not limited to underpinning, foundations, structural steel, concrete pours, and other critical structural components (e.g. bracing, other structural members to remain during construction such as, but not limited to, floors, joist or roofs).

The sequences should be reviewed by the TPSIA, and they must ensure that inspections are coordinated in a timely and accurate manner between the Contractor and the TPSIA with Owner awareness.

Documentation in Preconstruction Meeting Minutes:

A comprehensive record of the structural sequences must be included in the official preconstruction meeting minutes. The minutes must detail:

a. The agreed-upon structural inspection sequence.
b. The roles and responsibilities of the various parties involved in structural inspections.
c. Any potential challenges or concerns related to sequencing that could impact the inspection process.
d. Any adjustments or clarifications to the original sequencing plan discussed during the meeting.

The preconstruction meeting minutes shall be submitted to DOB (via Tertius) for review and **must be APPROVED, prior to the commencement of work**.

Ongoing Monitoring and Compliance:

It is the responsibility of the property owner to ensure that inspections are scheduled at the appropriate intervals of construction. It is the responsibility of the TPSIA to perform the inspections in strict accordance with the approved structural sequence plan throughout the construction process. Any deviations from the agreed-upon sequences must be documented, and the TPSIA must notify the Department of Buildings and the SER immediately.

The TPSIA shall also ensure that the necessary documentation is provided to the DOB in accordance with current reporting requirements.

Non-Compliance and Reporting:

If the TPSIA identifies that construction is not adhering to the approved structural sequencing plan, the TPSIA must report the issue immediately to the SER, property owner and the DOB. The TPSIA, SER, and property owner shall then coordinate with DOB to resolve the issue(s) to bring the project into compliance with safety and regulatory standards.

Failure to comply with these requirements may result in delays to the project, additional inspections, and potential penalties and/or disciplinary actions.

The TPSIA is required to immediately notify the DOB in writing of any non-compliance issues related to the structural sequences or inspection process.

Effective Date:

This policy clarification is effective immediately upon publication in the *DC Register*. All TPSIAs must ensure compliance with this directive for all applicable projects.

The DOB is committed to ensuring the safety and structural integrity of buildings throughout the city. By adhering to this policy and maintaining a detailed record of structural sequences, the DOB can better track the progress of construction and ensure that all inspections are performed at the appropriate stages. TPSIAs are expected to cooperate fully and provide all necessary documentation in a timely manner to facilitate this process.

Should you have any questions or require additional clarification, please contact Nicole Rogers at The Office of the Chief Building Official at DOB@dc.gov.

DECISION AND ORDER ON UNIT DETERMINATION AND DIRECTION OF ELECTION

I. Statement of the Case

On July 12, 2024, the American Federation of Government Employees, District 14 (AFGE) filed a second amended[1] petition for exclusive recognition and noncompensation unit determination (Petition), seeking to represent the following proposed bargaining unit at the District of Columbia Department of Corrections (DOC):

> 720 Correctional Officers CS-0007-6-8, 57 Lead Correctional Officers CS-0007-9, 1 Library Technician CS-1411-5, 1 Door System Mechanic CS-4749-9, 3 Material Handlers CS-6907-4, 4 Mail Clerks CS-0305-5, 9 IT Specialists CS-

[1] AFGE filed its initial petition on June 19, 2024. The amended petition, filed on June 28, 2024, cured two deficiencies identified in the initial petition. The second amended petition included additional exhibits.

> 2210-11-12, 26 Clerical Assistants CS-303-7, 9 Maintenance Mechanics CS-4779-9, 2 Locksmith CS-4808-9, 3 Electrician Forman CS-2805-10, 4 Staff Assistants CS-303-9, 1 Masonry Worker CS-3603-8, 25 Legal Instrument Examiners CS-0963-9, 18 Case Managers CS-0101-11-12, 1 Sanitation Officer, 5 Lean Instrument Examiners CS-0963-9, 3 Plumber/Pipefitters CS-4206-9, 2 Payroll Technicians CS-0544-8, 1 Security Guard 0080-5, 1 Material Handlers, CS-6907-4, 1 AC Equipment Mechanic CS-5301-9, 1 Volunteer Service Assistant CS-0006-1.[2]

The proposed unit includes a total of eight hundred and ninety-eight (898) positions. As required under Board Rule 503.4, AFGE submitted signed dues authorization cards, demonstrating an adequate showing of interest. Four hundred and fourteen (414) cards were submitted, showing that at least thirty percent (30%) of employees in the proposed unit desired AFGE's representation.

On August 7, 2024, DOC submitted comments regarding the Petition. Pursuant to Board Rule 503.3, DOC's comments were accompanied by an alphabetical list of the seven hundred and seventy-seven (777) employees who occupied positions in the proposed unit. DOC contemporaneously filed a Motion to Dismiss the Petition, a Motion to Deny the Petition, and a motion to hold the instant matter in abeyance (Motion to Hold in Abeyance), pending resolution of a related appeal before the Superior Court of the District of Columbia.[3] The related appeal, filed by the Fraternal Order of Police/Department of Corrections Labor Committee (FOP), seeks a judgment overturning the Board's recent decertification of FOP as the exclusive noncompensation bargaining representative for DOC employees.[4] AFGE opposed DOC's motions. On September 9, 2024, the Executive Director issued a letter, denying the Motion to Hold in Abeyance.

On September 16, 2024, PERB issued a notice of recognition petition, which DOC posted in accordance with Board Rule 503.10. On September 27, 2024, FOP submitted an Intervention Petition, pursuant to Board Rules 503.11 and 503.12(b). The Intervention Petition asserted that FOP had a right to intervene in this matter, as the incumbent representative of employees in the proposed unit. AFGE opposed the Intervention Petition on the grounds that the Board previously decertified FOP as the unit's noncompensation bargaining representative.

On October 22, 2024, the D.C. Superior Court issued an Order in the related appeal, enjoining the Board from enforcing or recognizing the decertification of FOP until the appeal is resolved. The court's Order further established that the noncompensation collective bargaining agreement (CBA) between DOC and FOP shall remain enforceable during the appeal.

On October 31, 2024, the Executive Director issued a letter granting FOP's Motion to Intervene. The letter found that FOP had demonstrated an interest in the impending election, as

required under Board Rule 503.12(a). The letter denied DOC's outstanding Motion to Dismiss and Motion to Deny, stating that DOC had not demonstrated adequate grounds for dismissal or denial of the Petition.

On December 23, 2024, FOP submitted a motion, requesting that the Board either reaffirm FOP as the exclusive noncompensation bargaining representative for DOC employees, or stay this matter to comply with the temporary restraining order and preliminary injunctive relief issued by the D.C. Superior Court in its October 22, 2024, Order. In the alternative, FOP requested that the Board order an election.

The parties participated in an investigatory conference with the Executive Director on January 6, 2024. The same day, FOP submitted a request for expedited reconsideration, asking PERB to hold this matter in abeyance until the conclusion of the related D.C. Superior Court case. In the alternative, FOP asks that PERB delay the election for sixty (60) days and recuse itself from directing the election. For the reasons stated herein, a mail ballot election shall be held in this case.

II. Discussion

The issue presented is whether the Board may direct an election, given that the D.C. Superior Court has enjoined the Board from enforcing or recognizing the decertification of FOP until the related appeal has concluded. To resolve this issue, the Board evaluates whether the existing noncompensation CBA between DOC and FOP creates a contractual bar to an election.

The Board derives its contract and certification bar rules from the National Labor Relations Board (NLRB).[5] The NLRB has established that contracts of a definite duration for terms of up to three years bar election petitions for the entire three-year period, after which time other labor organizations may petition for an election.[6] Board Rule 503.14 echoes this principle and further establishes that an election shall be barred if, during the previous twelve (12) months, a valid majority status determination has been made for substantially the same bargaining unit, a certification of representative has been issued, or the Board has determined the compensation unit placement for the group of employees in question. Where no such contractual bar exists, Board Rule 503 permits employees who are currently represented by a labor organization to petition for a new representative.

In the present case, the existing noncompensation CBA between DOC and FOP spans a definite three-year duration from Fiscal Year 2016 through Fiscal Year 2019. There has not been a valid majority status determination, a new certification of representative, or a compensation unit placement for the employees at issue within the past twelve (12) months. Accordingly, while a noncompensation CBA exists between DOC and FOP, there is no contractual bar to the petitioned-for election. Under the Board rules, competing unions now have the opportunity to petition for an

election. The court's order returned the parties to the pre-revocation status quo. Interpreting that order as a bar to an election would grant FOP protection beyond the status quo and diminish the statutory rights of employees to select their representative.

III. Conclusion

A mail ballot election shall be held to determine whether a majority of eligible employees in the proposed unit desire recognition of AFGE, FOP, or no union as their exclusive representative. Pursuant to Board Rule 510.8, the procedural aspects of the election shall be determined by the parties' election agreement or by the Executive Director, if no election agreement is reached.
