RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Association Meeting Flexibility Congressional Review Emergency Declaration Resolution of 2025".

Sec. 2. (a) Since the onset of the COVID-19 pandemic, virtual meetings have become routine for many District residents and organizations.

(b) During this time, the Council has repeatedly granted emergency and temporary flexibility for condominium and cooperative associations to conduct their meetings virtually without the need to amend their bylaws.

(c) On December 17, 2024, Council passed a permanent measure, the Fairness and Stability in Housing Amendment Act of 2024, enacted on January 16, 2025 (D.C. Act 25-694; 72 DCR 753) ("permanent measure"), which included these provisions. The permanent measure is expected to become law on May 22, 2025.

(d) After passing the permanent measure, the Council passed a final round of emergency and temporary legislation with the intent of avoiding a gap in the law. However, the emergency bill will expire on May 14, 2025, and the temporary is expected to become law on May 17, 2025.

(e) Congressional review emergency legislation is necessary to ensure that all interested associations can readily benefit from virtual meeting capabilities.

To declare the existence of an emergency with respect to the need to amend the Department of For-Hire Vehicles Establishment Act of 1985 to authorize the Department of For-Hire Vehicles to enforce traffic laws against carrier-for-hire vehicles.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Department of For-Hire Vehicles Delivery Vehicle Traffic Enforcement Expansion Emergency Declaration Resolution of 2025".

Sec. 2. (a) On July 8, 2024, the Council passed the Department of For-Hire Vehicles Delivery Vehicle Traffic Enforcement Expansion Temporary Act of 2022, effective September 4, 2024 (D.C. Law 25-205; 71 DCR 9325), which grants the Department of For-Hire Vehicles ("DFHV") the authority to enforce traffic laws and issue citations to delivery vehicles, or "carriers-for-hire", defined as "a class of transportation service by which a network of private operators, couriers, or carriers provide delivery of parcels, food, or beverages in the District for compensation".

(b) The authority granted to DFHV by D.C. Law 25-025 is a continuation of emergency and temporary measures passed by the Council in 2022 and 2023. DFHV has exercised this enforcement authority to promote safety for carrier-for-hire operators and customers, and for other road users. In Fiscal Year 2024, a total of 1,297 warnings or notices of infraction were issued by DFHV to carriers-for-hire.

(c) D.C. Law 25-205 is set to expire on April 17, 2025.

(d) On December 17, 2024, the Council passed the Carrier-for-Hire Oversight and Enforcement Amendment Act of 2024, effective March 21, 2025 (D.C. Act 25-693; 72 DCR 742), which includes provisions substantively similar to D.C. Law 25-205. That permanent act is subject to appropriations, which indicates a likely applicability date of no earlier than October 1, 2025.

(e) Additional emergency and temporary measures are necessary to prevent a gap in DFHV's authority to conduct street enforcement of carrier-for-hire operators.

To declare the existence of an emergency with respect to the need to amend section 25-723 of the District of Columbia Official Code to allow the Alcoholic Beverage and Cannabis Board to extend the hours of operation, sales, service, and consumption of alcoholic beverages for cultural events, sporting events, or tourism-related events for licensees registered with the Alcoholic Beverage and Cannabis Board.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "On-Premises and On-Site Extended Hours Program Emergency Declaration Resolution of 2025".

Sec. 2. (a) Bill 26-23, the On-Premises and On-Site Extended Hours Program Amendment Act of 2025 would allow the Alcoholic Beverage and Cannabis Board ("Board") to extend the hours of operation, sales, service, and consumption of alcoholic beverages for cultural events, sporting events, or tourism-related events for licensees registered with the Board.

(b) On March 4, 2025, the Council approved Bill 26-23 on first reading. The Council is scheduled to take its second and final vote on the legislation on April 1, 2025, but before the measure takes effect it must complete Mayoral and congressional review, which could take several months.

(c) Local businesses are preparing for increased patronage related to a spring tourism event. To assist our local businesses in taking advantage of these economic opportunities, it is imperative that legislation authorizing the Board to extend hours of operation, sales, service, and consumption of alcoholic beverages for licensees take effect immediately so that licensees have ample time to register with the Board to participate in extended hours, the Board can provide notice to the Metropolitan Police Department of participating establishments, and the District and businesses can plan in advance for increased staffing and resources.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

April 1, 2025

To declare the existence of an emergency with respect to the need to amend the Universal Paid Leave Amendment Act of 2016 to prohibit the reduction of private market short-term disability benefits based on actual or estimated paid leave benefits to which an eligible individual may be entitled to from the District, regardless of in which jurisdiction the policy was issued or written; and to amend the Insurance Trade and Economic Development Amendment Act of 2000 to make the prohibition of offsetting or reducing benefits under a private market short-term disability insurance policy based on estimated or actual benefits received under the Universal Paid Leave Amendment Act of 2016 enforceable under that law, regardless of the jurisdiction in which the insurance policy was issued or written.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Short-Term Disability Insurance Benefit Protection Clarification Emergency Declaration Resolution of 2025".

Sec. 2. (a) There exists an immediate need to extend the provisions within the Short-Term Disability Insurance Benefit Protection Clarification Temporary Amendment Act of 2024, effective September 18, 2024 (D.C. Law 25-215; 71 DCR 9953), which will expire on May 1, 2025, to protect benefits from the District's Universal Paid Leave ("UPL") program and benefit payments from short-term disability insurance plans for District workers who are entitled to both.

(b) Many District employers provide optional, private short-term disability insurance plans as part of the compensation package paid and available to employees. These plans provide enrolled employees with partial income replacement for the employee's absence from work due to recovery from injury or illness, including postpartum recovery. A typical short-term disability plan provides between 40 and 60% of the employee's salary up to a duration of between 3 to 6 months, based on documented medical need. Some employers pay the premiums for these plans, while many employers require employees to pay all or part of the premiums.

(c) The District's UPL program launched in July 2020. It provides benefits, in the form of partial wage replacement, to District workers who need to take time off from work for events associated with the birth or placement of a new child, including bonding ("parental leave"), recovery from serious illness or injury ("medical leave"), or caring for a family member with a

serious illness or injury ("family leave"). District employers pay quarterly contributions into a social insurance fund from which benefits are paid to eligible workers when a qualifying leave event arises.

(d) The UPL program provides up to 12 total weeks of benefits for parental leave, medical leave, and family leave.

(e) Many District workers use the public and private programs together, relying on them to achieve closer to full wage replacement in total and to extend the period of wage replacement to more fully cover unpaid periods of leave from work necessitated by sometimes complex and lengthy medical needs.

(f) In 2021, the Council learned that, since the UPL program began paying benefits to workers, private insurance companies providing coverage to District workers were offsetting the amount of benefits paid under their short-term disability plans by the amount of benefits the employee was expected to receive from the District's UPL program, regardless of whether the beneficiary had applied for or received those paid leave benefits or not, and regardless of the purpose for which the leave was used (i.e., parental bonding leave rather than medical leave).

(g) In Council Period 24, the Committee on Labor and Workforce Development ("Labor Committee") worked to partially close this coordination of benefits loophole to prohibit benefit offsetting by including amendments to the Universal Paid Leave Act of 2016, effective April 7, 2017 (D.C. Law 21-264; D.C. Official Code § 32-541.01 *et seq.*), in the Fiscal Year 2022 Budget Support Act of 2021, effective November 13, 2021 (D.C. Law 24-45; 68 DCR 10163).

(h) It later came to the attention of the Labor Committee that the Department of Insurance, Securities, and Banking's ("DISB") ability to enforce the anti-offsetting law, as intended, was hampered by the fact that the agency's enforcement authority is typically limited to insurance policies that were written or issued in the District. Thus, DISB was likely unable to take enforcement action against an insurer for unlawfully offsetting UPL benefits for District-based employees because the employer's short-term disability policy was written or delivered outside the District.

(i) Some employers of District employees—such as national employers or those based in other states—may purchase a policy that was written or delivered outside the District. It was previously reported to the Labor Committee that several insurance companies do not believe their short-term disability benefit is protected by the District's anti-offsetting provision and Council offices continue to hear reports of District workers being victims of offsetting practices.

(j) The Council did not intend for UPL benefits to reduce or limit workers' access to short-term disability benefits as:

(1) The UPL law states that the right to UPL benefits is not to be diminished by a collective bargaining agreement, by any other contract, or by an employer policy;

(2) The law enumerates 2 programs, unemployment insurance and long-term disability insurance, that, if an individual is receiving benefits under those programs, will make

the individual ineligible for UPL benefits, implying that individuals are permitted to receive benefits under other programs like short-term disability;

(3) The law states that the UPL benefits shall not prevent an employer from supplementing or providing greater benefits than required under the UPL law;

(4) Individual workers often use the programs for different purposes, such as UPL for bonding leave and short-term disability for postpartum recovery which are subject to different time restrictions; and

(5) The UPL program and short-term disability insurance have completely separate and independent funding mechanisms.

(k) Under the UPL law, it is unlawful for any person to interfere with an employee's right to UPL. Using the UPL benefits as an offset for short-term disability benefits renders the UPL benefit meaningless because an employee receives no more benefit than they would in the absence of UPL; that is interference.

(l) The intent of this legislation is to continue to strengthen DISB's enforcement authority to prevent interference by including an extraterritoriality clause that requires application of the law regardless of the jurisdiction in which the private market short-term disability insurance policy was written or issued.

(m) The current temporary measure will expire on May 1, 2025, and action must be taken to enact a new round of emergency and temporary legislation while passage of the permanent bill is pending in the current Council period.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Short-Term Disability Insurance Benefit Protection Clarification Emergency Amendment Act of 2025 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.

To declare the existence of an emergency with respect to the need to continue foreclosure protections for homeowners who applied for funding from the DC Homeowner Assistance Fund program before September 30, 2022, and whose applications remain under review, pending approval, pending payment, or under appeal, and to require that notices continue to be sent to homeowners informing them of the DC Homeowner Assistance Fund before a foreclosure action.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Foreclosure Moratorium and Homeowner Assistance Fund Coordination Emergency Declaration Resolution of 2025".

Sec. 2. (a) The Council has passed a series of emergency and temporary measures that, among other things, have protected from foreclosure certain homeowners who applied for the DC Homeowner Assistance Fund ("DC HAF") no later than 2022 and whose applications were still unresolved.

(b) The most current legislation, the Foreclosure Moratorium and Homeowner Assistance Fund Coordination Temporary Amendment Act of 2024, effective September 18, 2024 (D.C. Law 25-212; D.C. Official Code § 42-851.11), will expire on May 1, 2025.

(c) As of March 2025, District legal services providers report that payment administration and communication issues have prevented final resolution of a small number of cases for homeowners who continue to benefit from foreclosure protection.

(d) Emergency legislation is necessary to prevent a lapse in the law prior to the fulfillment of its purpose.

To declare the existence of an emergency with respect to the need to continue existing requirements for providers of commercial or residential rental property to abide by agreed upon rent payment plans with eligible tenants.

RESOLVED, BY THE COUNCIL DISTRICT OF COLUMBIA, That this resolution may be cited as the "Tenant Payment Plan Phasing Emergency Declaration Resolution of 2025".

Sec. 2. (a) As part of its response to the COVID-19 public health emergency, the Council passed emergency and temporary legislation allowing commercial and residential tenants demonstrating financial hardship in connection with the emergency to apply for payment plans with their landlords.

(b) The Council has kept the tenant payment plan framework in place through subsequent emergency and temporary measures. The most recent legislation is the Tenant Payment Plan Phasing Continuation Temporary Act of 2024, effective September 18, 2024 (D.C. Law 25-211; D.C. Official Code § 42-3331). That measure will expire on May 1, 2025.

(c) Although eligibility to apply for payment plans pursuant to such legislation ended in July 2022, the legislation contained tenant protections and administrative provisions, including a 3-year application record retention provision that applies to landlords. The record-keeping obligation was therefore intended to run through July 2025.

(d) Emergency legislation is necessary to avoid a gap in the law prior to the end of the originally contemplated 3-year implementation timeframe.

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

April 1, 2025

To declare the existence of an emergency with respect to the need to amend An Act To create a Department of Corrections in the District of Columbia and the Corrections Oversight Improvement Omnibus Amendment Act of 2022 to designate the Department of Corrections as the District agency to provide a free appropriate public education under the Individuals with Disabilities Education Act and District law to certain individuals in its custody and detained in its secure facilities.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Special Education for Young Adults in the Custody of the Department of Corrections Emergency Declaration Resolution of 2025".

Sec. 2. (a) There is an immediate need to designate the Department of Corrections ("DOC") as the District agency responsible for providing a free appropriate public education ("FAPE") under the federal Individuals with Disabilities Education Act ("IDEA") and District law to eligible individuals in its custody and detained in its secure facilities.

(b) Under the IDEA and District law, individuals aged 18 years old through the end of their eligibility for FAPE under the IDEA and District law (hereinafter "eligible individuals") who are incarcerated in an adult correctional facility are entitled to receive a free appropriate public education through the delivery of special education and related services if they were previously identified or found eligible as a student with a disability or had an individualized education program. DOC has eligible individuals in its custody.

(c) For school year 2021-2022 and schools year 2022-2023, special education services for eligible individuals in DOC's custody were provided by Maya Angelou Public Charter Schools under a temporary charter authorization from the Public Charter School Board. The temporary charter authorization expired at the end of school year 2022-2023.

(d) In order to ensure the continuation of appropriate special education services at DOC in school year 2023-2024, the Council passed emergency and temporary legislation in April 2024 to designate DOC as the District agency responsible for providing a FAPE to eligible individuals in DOC's custody, with the understanding that DOC would contract with Maya Angelou Public Charter Schools to provide the services.

ENROLLED ORIGINAL

(e) The temporary legislation adopted by the Council expires on April 12, 2025, prior to the end of school year 2024-2025.

(f) Therefore, emergency legislation is necessary to extend the designation of DOC as the District agency responsible for providing a FAPE to eligible individuals in DOC's custody during school year 2024-2025, to ensure that DOC can continue its contract with Maya Angelou Public Charter Schools for the remainder of the school year.

(g) It is critical to pass emergency legislation immediately so that there is no disruption in the delivery of required special education and related services under IDEA for eligible individuals in the custody of DOC.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Special Education for Young Adults in the Custody of the Department of Corrections Emergency Amendment Act of 2025 be adopted after a single reading.

26-91

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

April 1, 2025

To declare the existence of an emergency with respect to the need to amend the Open Meetings Act to clarify the definition of meeting, to provide for a public body's ability to be briefed about potential terrorist or public health threats so long as no official action is taken, to exempt from the act meetings between the Council and the Mayor provided that no official action is taken at such meetings, and to provide that a meeting shall be deemed open to the public if the public body takes steps reasonably calculated to allow the public to view or hear the meeting while the meeting is taking place, or, if doing so is not technologically feasible, as soon thereafter as reasonably practicable.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Open Meetings Clarification Emergency Declaration Resolution of 2025".

Sec. 2. (a) The Open Meetings Act, effective March 31, 2011 (D.C. Law 18-350; D.C. Official Code § 2-571 *et seq*.), became effective on March 31, 2011.

(b) The Open Meetings Act requires that any gathering of a quorum of a public body where members consider, conduct, or advise on public business offers the opportunity for the public to observe the meeting. The public must be given proper notice of these meetings and afforded the opportunity to review recordings of these meetings upon request. The Open Meetings Act also exempts several governmental entities from these requirements based on the definition of the term "public body." Exempted entities include the District of Columbia courts, the Mayor's cabinet, and Advisory Neighborhood Commissioners ("ANC"), but not the Council.

(c) In recent months, the District government has had to deal with a variety of consequential, large-scale business and economic development propositions, most notably, the effort to retain Monumental Sports and Entertainment in the District. This effort involved significant negotiations between the parties, much of which had to be kept confidential until agreements in principle were reached.

(d) The District is currently facing the prospect of having to cut approximately $1.1 billion from its FY 2025 budget (in the middle of the fiscal year) based on Congress's passage of a continuing resolution that requires federal spending to be consistent with FY 2024 levels and

Congress's choice to treat the District as a federal agency as opposed to allowing the District to spend local funds at approved levels as had been the case for many years prior.

(e) Each of the described circumstances called for a certain level of awareness and, in the case of the budget, coordination among the District's elected officials – including the members of the Council – to develop a workable strategy to effectively respond to the situation. While such coordination is relatively simple for the Executive and the Office of the Attorney General, since these entities are not "public bodies" under the Open Meetings Act, current law creates significant barriers for 13 members of the Council to prepare to function as a single unit in times of crisis.

(f) Beyond that, there is a legitimate expectation that further circumstances like those described in subsections (c) and (d) of this section are imminent and will require a significant degree of organizational nimbleness on the part of the Council, as well as other public bodies within the District government, in order to respond in a timely and appropriate manner. For this reason, several U.S. states exempt completely, or make special exceptions for, their state legislatures with respect to open meetings laws.

(g) While the official action of a public body to make or adopt public policy is, and should be, required to be made public, the preparation put into moving toward official action, including background research and briefings, organizational discussions, and information gathering (under certain circumstances) does not necessarily need to be. In fact, in certain circumstances, particularly circumstances related to threats to the health, safety, and welfare of the public or members of the public body, provisional and pre-decisional information should not be disclosed prematurely.

(h) This emergency legislation is particularly necessary in the current political climate to allow the Council to be briefed as a body in a timely manner, to develop appropriate responses to rapidly unfolding issues, and to ensure that other public bodies in the District are able to receive, discuss and analyze relevant information securely, while also ensuring that the process for taking any official action with respect to that information is conducted publicly.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Open Meetings Clarification Emergency Amendment Act of 2025 be adopted after a single reading.

To declare the existence of an emergency with respect to the need to authorize and provide for the issuance, sale, and delivery in an aggregate principal amount not to exceed $25 million of District of Columbia revenue bonds in one or more series, and to authorize and provide for the loan of the proceeds of such bonds to assist Society for Science and the Public in the financing, refinancing, or reimbursing of costs associated with an authorized project pursuant to section 490 of the District of Columbia Home Rule Act.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Society for Science and the Public Revenue Bonds Project Emergency Declaration Resolution of 2025".

Sec. 2. (a) Society 1776 Mass Ave LLC (the "Borrower"), is a limited liability company solely owned by Society for Science and the Public, a nonprofit corporation organized and existing under the laws of the District of Columbia, which seeks to have District of Columbia revenue bonds issued and receive a loan of the proceeds thereof for:

(1) The acquisition, redevelopment, renovation, equipping and furnishing of a property located at 1776 Massachusetts Avenue, NW, Washington, DC and certain parking facilities and other property, real and personal, related thereto;

(2) Paying a portion of the interest on the Bonds;

(3) Funding a deposit to a debt service reserve fund, if any, for the Bonds; and

(4) Funding certain Issuance Costs.

(b) The planned financing will make available funds critically needed to finance, refinance, or reimburse the Borrower for costs of the Project.

(c) Due to the current economic uncertainty in the financial markets, it is important for the Council to expedite the process for the issuance of the Bonds and avoid any delay that may adversely affect the ability of the Borrower to market the Bonds to investors or to obtain an interest rate within the range contemplated by the Project budget.

(d) Council approval of the bond resolution authorizing the issuance of up to $25 million of District of Columbia revenue bonds would permit the revenue bonds to be issued promptly to provide maximum savings for the Borrower and enable the project described in subsection (a) of this section to be completed.

On Wednesday, April 23, 2025, at 12:00 p.m. (Or immediately following the previous JPS hearing), Councilmember Brooke Pinto, Chairwoman of the Committee on the Judiciary and Public Safety, will hold a public Roundtable **to hear public witness testimony only** on **Councilmember Pinto's Peace DC Plan** including the **merger of the District's violence intervention initiatives.**

The hearing will be held in Room 500 of the John A. Wilson Building.

On March 24, 2025, as part of her Peace DC plan, Councilmember Pinto announced a proposal for merging the District's violence intervention initiatives, a critical step in strengthening our city's approach to reducing gun violence and ensuring community safety. This proposal will consolidate the Cure the Streets (CTS) program, currently housed at the Office of the Attorney General (OAG), within the Office of Neighborhood Safety and Engagement (ONSE), creating a more unified, effective, and accountable violence intervention initiative in the District.

Despite a reduction of 35% in overall violent crime in 2024,[1] the lowest violent crime rate reported in decades, with 6,182 recorded gun shots detected and 187 homicides gun violence still remains one of the most pressing challenges facing the District.[2] Community-based violence

intervention (CVI) initiatives have demonstrated significant potential in disrupting cycles of violence.[3]

However, the current structure—where CTS operates under the Office of the Attorney General (OAG) and ONSE runs a separate Violence Intervention Initiative (VII)—has led to fragmentation and inefficiencies in service delivery, underscoring the urgent need for a more coordinated and comprehensive approach to violence prevention. By consolidating CTS into ONSE, this merger aims to streamline resources, enhance coordination, and maximize impact.

Key provisions of this proposal include:

- **Merger & Oversight** – CTS will fully integrate into ONSE, consolidating all violence interruption efforts under one agency to improve efficiency and strategic oversight.
- **Model & Training** – ONSE will adopt an evidence-informed model to guide its violence intervention work, focusing on the highest-risk individuals in a neighborhood-based rather than ward-based approach. ONSE will also ensure that all violence interrupters, program managers, and supervisors complete training covering violence interruption, conflict resolution, trauma-informed care, and community engagement.
- **Community Engagement & Services** – ONSE will actively engage residents, businesses, and faith-based organizations while strengthening connections to housing assistance, job training, mental health support, and mentorship for the highest-risk individuals.
- **Data Collection & Reporting** – A centralized system will track intervention outcomes, monitor long-term conflict trends, and measure reductions in gun violence.
- **Transition & Stability** – A dedicated Transition Advisory Team and Stakeholder Feedback Mechanism will ensure a seamless integration, protect program quality, and maintain uninterrupted service delivery during the transition.

This proposal represents an opportunity to build a more effective and sustainable violence prevention infrastructure in the District. By aligning our violence intervention resources and expertise under ONSE, we can take a more strategic, evidence-based approach to breaking cycles of violence and investing in safer communities. A copy of the proposal is available here.

The Committee invites the public to testify. Those who wish to do so must register using the Council's Hearing Management System at https://lims.dccouncil.gov/hearings **by 8:00 a.m. on Tuesday, April 22nd**. All witnesses will have 3 minutes to speak.[4] **Witnesses will have the option to testify in person or virtually**; witnesses should specify which option they are electing at the time they sign up to testify. **Note that government witness testimony will be scheduled on a separate hearing date.**

Witnesses who anticipate needing spoken language interpretation, or who require sign language interpretation, are requested to inform the Committee office of the need as soon as possible, but

HISTORIC PRESERVATION REVIEW BOARD
NOTICE OF PUBLIC HEARING

The D.C. Historic Preservation Review Board will hold a public hearing to consider an application to designate the following property a historic landmark in the D.C. Inventory of Historic Sites. The Board will also consider the nomination of the property to the National Register of Historic Places:

Case No. 25-06: Latin American Youth Center
3045 15th Street NW
Square 2672, Lot 734
Applicant: D.C. Preservation League
Affected Advisory Neighborhood Commission: 1A

The hearing will take place at **9:00 a.m. on Thursday, May 22, 2025**. The Board hearing will be online, the details for which will be available here: planning.dc.gov/node/1176060. It will be conducted in accordance with the Review Board's Rules of Procedure (10C DCMR 2, see planning.dc.gov/node/594182).

The Board's hearing is open to all interested parties or persons. Public and governmental agencies, Advisory Neighborhood Commissions, property owners, and interested organizations or individuals are invited to testify before the Board. Written testimony may also be submitted prior to the hearing. All submissions should be sent to the address above.

A copy of the historic designation application is currently on file and available for inspection by the public at the Historic Preservation Office. It is posted on the office website at planning.dc.gov/page/pending-nominations-dc-inventory. A copy of the staff report and recommendation will be available at the office five days prior to the hearing at planning.dc.gov/node/1698166. The office also provides information on the D.C. Inventory of Historic Sites, the National Register of Historic Places, and Federal tax provisions affecting historic property.

If the Historic Preservation Review Board designates a property, it will be included in the D.C. Inventory of Historic Sites and will be protected by the D.C. Historic Landmark and Historic District Protection Act of 1978. The Review Board will simultaneously consider the nomination of the property to the National Register of Historic Places. The National Register is the Federal government's official list of prehistoric and historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage. Listing provides recognition of the historic importance of properties and assures review of Federal undertakings that might affect the character of such properties. If a property is listed in the Register, certain Federal rehabilitation tax credits for rehabilitation and other provisions may apply. Public visitation rights are not required of owners. The results of listing in the National Register are as follows:

Consideration in Planning for Federal, Federally Licensed, and Federally Assisted Projects: Section 106 of the National Historic Preservation Act of 1966 requires that Federal agencies allow the Advisory Council on Historic Preservation an opportunity to comment on all projects

affecting historic properties listed in the National Register. For further information, please refer to 36 CFR 800.

Eligibility for Federal Tax Provisions: If a property is listed in the National Register, certain Federal tax provisions may apply. The Tax Reform Act of 1986 (which revised the historic preservation tax incentives authorized by Congress in the Tax Reform Act of 1976, the Revenue Act of 1978, the Tax Treatment Extension Act of 1980, the Economic Recovery Tax Act of 1981, and the Tax Reform Act of 1984) provides, as of January 1, 1987, for a 20% investment tax credit with a full adjustment to basis for rehabilitating historic commercial, industrial, and rental residential buildings. The former 15% and 20% Investment Tax Credits (ITCs) for rehabilitation of older commercial buildings are combined into a single 10% ITC for commercial and industrial buildings built before 1936. The Tax Treatment Extension Act of 1980 provides Federal tax deductions for charitable contributions for conservation purposes of partial interests in historically important land areas or structures. Whether these provisions are advantageous to a property owner is dependent upon the particular circumstances of the property and the owner. Because the tax aspects outlined above are complex, individuals should consult legal counsel or the appropriate local Internal Revenue Service office for assistance in determining the tax consequences of the above provisions. For further information on certification requirements, please refer to 36 CFR 67.

Qualification for Federal Grants for Historic Preservation When Funds Are Available: The National Historic Preservation Act of 1966, as amended, authorizes the Secretary of the Interior to grant matching funds to the States (and the District or Columbia) for, among other things, the preservation and protection of properties listed in the National Register.

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing must submit to the State Historic Preservation Officer a notarized statement certifying that the party is the sole or partial owner of the private property, and objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners object, a property will not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility for listing in the National Register. If the property is then determined eligible for listing, although not formally listed, Federal agencies will be required to allow the Advisory Council on Historic Preservation an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If an owner chooses to object to the listing of the property, the notarized objection must be submitted to the above address by the date of the Review Board meeting.

THIS CASE IS OF INTEREST TO ANC 1E

Oral and Written Testimony

- All who wish to testify in this case are **strongly encouraged** to sign up to do so **at least 24 hours prior to the start of the hearing** on OZ's website at https://dcoz.dc.gov/service/sign-testify - see below: *How to participate as a witness – oral statement.* **On the day of the hearing – by 3:00 p.m.**, call 202-727-0789 to sign up to testify.

GS Development Services NE, LLC (the "Applicant"), as authorized by Howard University ("Howard"), filed an application (the "Application") on November 27, 2024, requesting further processing of the Howard University 2020-2030 Central Campus Plan (the "Campus Plan"). The Application was filed pursuant to Subtitle X §§ 101 and 106.1 and Subtitle Z § 302 (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016, to which all subsequent citations refer unless otherwise specified). The Zoning Commission's approval of the Application would authorize the redevelopment of the property located at 2301 Georgia Avenue, N.W. (Lot 44 in Square 3064) (the "Property") with a new mixed-use building consisting of student housing and services, retail, and recreation uses, which the Campus Plan identifies as the Fusion Building (the "Project").

Additionally, to enable the proposed development, the Applicant is requesting special exception relief from (i) the plaza requirement in the MU-10 zone set forth in Subtitle G § 212.1; and (ii) the minimum short-term bicycle parking required for education use (college / university) set forth in Subtitle C § 802.1.

[1] This case was previously scheduled for hearing on May 5, 2025.

This hearing is governed by the Open Meetings Act. Please address any questions or complaints arising under this hearing to the Office of Open Government at opengovoffice@dc.gov.

The Property, which the Campus Plan refers to as the Wonder Plaza site, is located along the western boundary of Howard's central campus and consists of approximately 69,313 square feet of land area. The Property is bordered by Georgia Avenue, N.W. to the west, Bryant Street, N.W. to the south, Downing Hall (Howard University College of Engineering and Architecture) to the north, and various university buildings to the east, including the Bunche Center and Howard's Power Plant. The surrounding area consists of various institutional and commercial uses.

Consistent with the guidance of the Campus Plan, the Project will provide approximately 280 student housing units (approximately 592 beds), ground floor retail, a student dining hall and a new, comprehensive wellness center. The Project will consist of approximately 315,040 square feet of GFA, which amounts to a floor area ratio of 4.52, and have a maximum building height of 90 feet. The Project also includes the construction of an underground parking garage consisting of approximately 158 parking spaces.

The complete record in the case, including the Applicant's filings, can be viewed online at the Office of Zoning's website, through the Interactive Zoning Information System (IZIS) at: https://app.dcoz.dc.gov/Home/ViewCase?case_id=20-08D.

THIS CASE IS OF INTEREST TO ANCs 2F & 2B

Oral and Written Testimony

- All who wish to testify in this case are **strongly encouraged** to sign up to do so **at least 24 hours prior to the start of the hearing** on OZ's website at https://dcoz.dc.gov/service/sign-testify – see below: *How to participate as a witness – oral statements*.

On November 18, 2024, the Office of Zoning received an application from MR 1401 15th Street Retail, LLC (the "Applicant") requesting review and approval for a Zoning Map amendment from the RA-5 zone to the ARTS-3 zone for property located at 1401-1405 15th Street, N.W. (Square 210, Lot 827) (the "Property").[1]

The Property is rectangular in shape and has approximately 7,200 square feet of land area. The Property is bounded by private property to the north, public alleys to the east and south, and 15th Street, N.W. to the west. Properties immediately surrounding the Property to the north and east along 15th Street and P Street, and to the east along the 14th Street corridor, are zoned ARTS-3. The Property is located within the Greater 14th Street Historic District. The Property is located within the boundaries of Advisory Neighborhood Commission ("ANC") 2F and across 15th Street, N.W., from ANC 2B.

The Property is improved with the Grace Reformed Church and Sunday School and the Parish House, which collectively are (i) designated as an historic landmark in the D.C. Inventory of

[1] The Applicant subsequently filed revised application materials on December 2, 2024, clarifying that the current zoning for the entire Property is RA-5. The original filing incorrectly stated that a portion of the Property was already zoned ARTS-3.

This hearing is governed by the Open Meetings Act. Please address any questions or complaints arising under this hearing to the Office of Open Government at opengovoffice@dc.gov.

Historic Sites; (ii) listed in the National Register of Historic Places; and (iii) contributing structures to the Greater 14th Street Historic District.

The Property's designation on the Comprehensive Plan Future Land Use Map is Mixed-Use Medium Density Residential / Moderate Density Commercial. The Property's designation on the Comprehensive Plan Generalized Policy Map is a Neighborhood Conservation Area. The Property is located within the Near Northwest Area Element of the Comprehensive Plan, and is subject to the goals and strategies set forth in the Logan Circle Investment Plan, prepared by the Office of Planning in 2008.

The Office of Planning submitted its setdown report to the Office of Zoning on February 28, 2025. The setdown report recommended the application be set down for a public hearing. The setdown report stated that the proposed map amendment would not be inconsistent with the Comprehensive Plan maps and written elements, including when viewed through a racial equity lens and that Inclusionary Zoning Plus would not be appropriate for the map amendment.

ANC 2F submitted a setdown form to the Office of Zoning on December 9, 2024. The ANC setdown form recommended the application be set down for a public hearing. The application was set down for a public hearing as a contested case by the Zoning Commission on March 13, 2025.

The Applicant filed its Prehearing Submission with the Zoning Commission on March 17, 2025.

The complete record in the case, including the Applicant's filings and the Office of Planning setdown report, can be viewed online at the Office of Zoning website, through the Interactive Zoning Information System (IZIS), at https://app.dcoz.dc.gov/Content/Search/Search.aspx.

This virtual public hearing will be conducted in accordance with the contested case provisions of Subtitle Z § 400, which includes the text provided in the Notice of Final Rulemaking adopted by the Zoning Commission in Z.C. Case No. 20-11 (*effective* October 30, 2020).

How to participate as a witness - oral presentation

1.	Applicant and parties in support	60 minutes collectively

CHILD AND FAMILY SERVICES AGENCY

NOTICE OF FINAL RULEMAKING

The Interim Director of the Child and Family Services Agency, pursuant to the authority set forth in Sections 102 and 106 of the Grandparent Caregivers Pilot Program Establishment Act of 2005, effective March 8, 2006 (D.C. Law 16-69; D.C. Official Code §§ 4-251.02, 4-251.06) ("Act"), and Mayor's Order 2006-38, dated March 20, 2006, hereby gives notice of her adoption of the following amendment to Chapter 68 (Grandparent Caregivers Pilot Program Subsidies) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations ("DCMR").

The amendment eliminates the requirement that an applicant to the Grandparent Caregivers Pilot Program receive a Temporary Assistance for Needy Families ("TANF") determination for the child for whom the applicant is the primary caregiver as a condition of eligibility to receive a subsidy through the program. CFSA anticipates that eliminating this requirement will reduce the time it takes for applicants to submit a completed application and receive a subsidy if eligible and approved. Applicants will still be required to have applied for TANF benefits for the child as a condition of eligibility.

A Notice of Proposed Rulemaking was published in the *District of Columbia Register* on May 31, 2024, at 71 DCR 006500. No comments were received. A proposed final rulemaking was transmitted to the Council for its approval in accordance with Section 106 of the Grandparent Caregivers Pilot Program Establishment Act of 2005, effective March 8, 2006 (D.C. Law 16-69; D.C. Official Code § 4-251.06), pursuant to the Grandparent Caregivers Eligibility Determination Rules Approval Resolution of 2024, introduced on September 25, 2024 (Proposed Res. 25-0969). The resolution was deemed approved by the Council on November 15, 2024.

The Interim Director of the Child and Family Services Agency adopted this rule as final on April 1, 2025. No changes were made to the text of the rule as proposed.

The rule shall become effective on the date of publication of this notice in the *District of Columbia Register*.

Title 29, PUBLIC WELFARE, of the DCMR is amended as follows:

Chapter 68, GRANDPARENT CAREGIVERS PILOT PROGRAM SUBSIDIES, is amended as follows:

OFFICE OF THE CHIEF FINANCIAL OFFICER
OFFICE OF TAX AND REVENUE

NOTICE OF CHANGE IN THE SURTAX ON CIGARETTE PACKAGES FOR TAX YEAR 2026

Pursuant to D.C. Code § 47-2402(a)(3)(B), the District of Columbia shall provide notice of the appropriate calculated surtax on a package of cigarettes on or before September 1st of each year for the upcoming tax year that begins on October 1st. The calculated surtax levy shall be equivalent to a levy of the general sales tax rate in effect for the upcoming tax year.

Under D.C. Code § 47-2402.01(a)(2)(A), on March 31st of each year, the Office of the Chief Financial Officer (OCFO) is required to re-evaluate the percentage of the sum of the cigarette tax and surtax applied over the average wholesale price of a package of cigarettes calculated for the previous year. The OCFO used the Bureau of Labor Statistics' Consumer Price Index (CPI) for all urban consumers, to compare prices of cigarettes in the most recent full year with prices of cigarettes in the previous year and to compute the percentage change in prices. The retail sales tax rate (applicable to the surtax on cigarettes) is currently 6 percent. Comparing average cigarette prices for 2024 and 2023 and applying the retail sales tax rate, OCFO has determined that the 2025 average retail sale price of a package of 20 cigarettes in the city is $10.58, and **the calculated surtax for tax year 2026 shall be $0.57 per pack of cigarettes.**

A package of cigarettes is defined as one with 20 or fewer cigarettes. **However, if a package of cigarettes sold in tax year 2026 contains more than 20 cigarettes, the surtax per pack must be incrementally increased by $0.029 per each cigarette above 20.**

Calculated Surtax on a Package of 20 Cigarettes (or Fewer) for Tax Year 2026	
2025 Average Retail Sale Price for a Package of 20 Cigarettes	$10.58
Less Current Surtax & Estimated Costs of Business	-$1.58
Adjusted Average Retail Sales Price	$9.00
Calculated Surtax (Sales Tax Equivalent) Effective October 1, 2025	**$0.57**

Effective October 1, 2025, the above surtax of $0.57 per pack of cigarettes is in addition to the cigarette excise tax of $4.50 per pack. Thus, the total tax levy for cigarettes in the District of Columbia for the tax year shall be $5.07 per pack of 20.

A NOTICE OF INCREASE in the LOCAL TRANSPORTATION SURCHARGE on MOTOR VEHICLE FUELS for TAX YEAR 2026

Pursuant to D.C. Code § 47-2301, the District of Columbia shall levy and collect a tax and a local transportation surcharge on motor vehicle fuels sold or otherwise disposed of by an importer or by a user, or used for commercial purposes in the District. As of October 1, 2021, the rate of tax shall be $0.235 per gallon, and the surcharge shall be $0.103 per gallon, increased annually beginning with the fiscal year commencing on October 1, 2022, by a cost-of-living adjustment based on the Washington Area Consumer Price Index (CPI) for All Urban Consumers.

Thus,

For calendar year 2020, the Washington Area average CPI value was:	267.16
For calendar year 2024, the Washington Area average CPI value was:	315.19
The percent difference in the index values between these two time periods is:	17.98%

Therefore, effective Tax Year 2026 (beginning October 1, 2025) the per gallon local transportation surcharge amount will be increased to $0.122

The Motor Fuel Tax and Local Transportation Surcharge Per Gallon Amounts for Tax Year 2026			
	Base Amounts	**CPI Adjustment Factor***	**2026 Amounts**
Motor Fuel Tax Rate Per Gallon	$0.235	Not Applicable	$0.235
Local Transportation Surcharge Per Gallon	$0.103	1.1798	$0.122
Tax Rate & Local Transportation Surcharge Per Gallon Total	-	-	$0.357

NOTICE OF TAX RATE ON OTHER TOBACCO PRODUCTS FOR TAX YEAR 2026

Pursuant to D.C. Code § 47-2402.01(a)(2)(B), the District of Columbia shall provide notice of the tax rate on other tobacco products on or before September 1st of each year for the upcoming tax year that begins on October 1st. The tax for other tobacco products shall be equal to the cigarette tax and surcharge on a pack of 20 cigarettes under D.C. Code § 47-2402.01(a)(1)-(2), expressed as a percentage of the average wholesale price of a package of 20 cigarettes as of March 31, preceding the September 1st announcement of the change in rates.

The Office of the Chief Financial Officer (OCFO) collected wholesale cigarette price data from the United States Department of Labor's Bureau of Labor Statistics. Based on the analysis of the data in April 2025, OCFO has determined that the 2025 average wholesale price of a package of 20 cigarettes in the District of Columbia was $7.89. The tax and surtax on a package of cigarettes, effective October 1, 2025, will be $5.07. **The calculated tax that shall be applicable to other tobacco products for tax year 2026 is 64 percent.**

Calculated Tax on Other Tobacco Products for Tax Year 2026	
2025 Average Wholesale Price for a Package of 20 Cigarettes	$7.89
Tax on a Package of 20 Cigarettes	$4.50
Surtax on a Package of 20 Cigarettes	$0.57
Total tax on a Package of 20 Cigarettes	$5.07

[1] On December 30, 2024, DOES posted an incorrect notice to their website stating the increase to minimum wage would be from $17.50 to $18.00. On February 6, 2025, the correct notice was posted to DOES' website increasing the minimum wage from $17.50 to $17.95.

D.C. Code § 2-220.03(f) provides that at no time shall the living wage be less than the minimum wage. Effective July 1, 2024, the minimum wage in the District is $17.50 per hour. Effective July 1, 2025, the District's Minimum Wage will increase to $17.95 an hour, that will trigger an attendant increase in the living wage.

NOTICE OF INCREASE TO THE BATTERY STEWARDSHIP ORGANIZATION ADMINISTRATIVE FEE

Notice is hereby given that, pursuant to 20 DCMR § 3907, the Department of Energy and Environment (DOEE), located at 1200 First Street NE, 5th Floor, Washington, DC, intends to adjust the annual administrative fee for a Battery Stewardship Organization (BSO) implementing an approved battery stewardship plan. D.C. Official Code § 8-771.10(b)(1) requires the Mayor to charge an annual administrative fee to BSOs implementing an approved battery stewardship plan. This authority was delegated to DOEE in Mayor's Order 2022-028. 20 DCMR § 3907.2 requires DOEE to annually adjust the BSO administrative fee for inflation based on the Consumer Price Index for All Urban Consumers (CPI-U) published by the United States Bureau of Labor Statistics. To perform this adjustment, DOEE is required to increase each fee by the percentage, if any, by which the CPI-U for February of the calendar year exceeds the CPI-U for February of the previous calendar year.

The annual administrative BSO fee in 2024 was $41,280.00. The CPI-U for February 2025 exceeded the CPI-U for February 2024 by 2.8%, so the 2025 annual administrative BSO fee due from DC's BSO on May 1, 2025, is $42,435.84.

The contact person for DOEE's battery stewardship program is Rafiq Jennings, who can be reached at Rafiq.Jennings@dc.gov.

1. The Public Service Commission of the District of Columbia (Commission) hereby gives notice, pursuant to § 34-802 of the District of Columbia Official Code and in accordance with § 2-505 of the District of Columbia Official Code,[1] of its final tariff action taken on April 3, 2025, in Order No. 22396, granting the Application[2] of Verizon Washington DC, Inc. GENERAL REGULATIONS TARIFF P.S.C.-D.C.-NO. 201
Section 1A, 18th Revised Page 3

2. In its Application, Verizon DC identifies the proposed tariff amendment as an update to its District of Columbia Universal Service Trust Fund (DC USTF) surcharge, which is required by Chapter 28 of Title 15 of the District of Columbia Municipal Regulations (DCMR). PUBLIC SERVICE COMMISSION OF THE DISTRICT OF COLUMBIA

PUBLIC NOTICE

FORMAL CASE NO. 1168, IN THE MATTER OF THE APPLICATIONS FOR APPROVAL OF BIENNIAL UNDERGROUND INFRASTRUCTURE IMPROVEMENT PROJECTS PLANS AND FINANCING ORDERS,

The Electric Company Infrastructure Improvement Financing Amendment Act of 2017 (Act), which amended the Electric Company Infrastructure Improvement Financing Act of 2014, became effective on July 11, 2017. The Act authorizes the collection and use by the District of Columbia (District) and the Potomac Electric Power Company (Pepco) of certain charges to finance the undergrounding of certain electric power lines and ancillary facilities in the District. The Act governs Pepco's and the District Department of Transportation's (DDOT) public-private partnership to bury overhead primary power lines to improve electric service reliability and reduce the impact of storm-related outages in the District. This project is commonly known as the District of Columbia Power Line Undergrounding (DC PLUG) initiative.

On September 30, 2021, DDOT and Pepco filed their joint application for approval of the third Biennial Underground Infrastructure Improvement Projects Plan and the third application for a financing order, which included a request for approval of the Underground Project Charge (UPC). On January 27, 2022, the Public Service Commission of the District of Columbia (Commission) issued an order that approved, among other things, the UPC. The currently effective UPC rates were approved by the Commission in Order No. 21992, issued on May 15, 2024.

The Commission hereby gives notice that on April 1, 2025, Pepco filed for approval of the true-up of the UPC.

Underground Project Charge True-Up

The UPC is designed to recover costs incurred by Pepco to place underground the selected feeders and other authorized costs and charges. Pursuant to the Undergrounding Act, the UPC is applicable to Pepco's District of Columbia customers who take electric distribution service, except for customers served under Pepco's Residential Aid Discount Rider. In accordance with D.C. Code §34-1313.15(a), Pepco must file to adjust the UPC no later than April 1 of each year to update forecasted expenditures for the calendar year in which the update is filed and true-up costs and collections for the prior calendar year.

Pepco filed its annual adjustment on April 1, 2025. After adjustment, the Underground Project Charges represent a total increase of approximately seven cents (7¢) per month for a typical residential customer who uses 614 kWh per month.

The adjusted UPC for each Rate Schedule are as follows:

Rate Schedule	Underground Project Charge ($/kWh)
Residential Service	$0.00027
Residential Service - Plug - In Vehicle Charging – R-PIV	$0.00027
Master Metered Apartment Service	$0.00044

In accordance with D.C. Code § 34-1313.15(d)), within 10 days of the publication of this Public Notice in the DC Register, which occurred on April 11, 2025, any interested party may file a protest on or before April 21, 2025, limited to the proposed adjusted UPC and materials submitted in support thereof, and whether the proposed adjustment is consistent with the underlying order

authorizing the imposition and collection of the UPC, as most recently approved by the Commission. Protests may not challenge the scope and composition of the Electric Company Infrastructure Improvement Activity unless, and only to the extent that, changes in the scope and composition of the Electric Company Infrastructure Improvement Activity are proposed in the application to adjust the Underground Project Charges submitted.

DECISION DATE (20184-B):	March 26, 2025

SUMMARY ORDER ON REQUEST FOR ONE-YEAR TIME EXTENSION

ORIGINAL APPLICATION AND 1ST TIME EXTENSION. In Application No. 20184, the Board of Zoning Adjustment ("**Board**" or "**BZA**") approved the request by Fort Lincoln-Eastern Avenue, LLC (the "**Applicant**") for special exceptions under Subtitle U § 421 and under Subtitle C § 305.1 to allow a new residential development of 51 townhouse dwellings in a theoretical lot subdivision in the RA-1 and RA-4 zones. The Board issued Order No. 20184 on April 20, 2022 (the "**Order**," Exhibit 2). Pursuant to Subtitle Y § 604.11, the Order became effective ten days after issuance. Pursuant to Subtitle Y § 702.1, the Order was valid for two years from the time it became final.

On June 12, 2024, the Board granted a one-year time extension in Application No. 20184-A that extended the validity of the Order to April 20, 2025. (Exhibit 2.)

REQUEST FOR ONE-YEAR TIME EXTENSION. On January 24, 2025, the Applicant submitted a request that the Board grant a one-year extension of Order No. 20184. (Exhibits 1-4.)

NOTICE OF THE REQUEST. Pursuant to Subtitle Y § 705.2(a), the Applicant provided proper and timely notice of the request for time extension to the parties to the underlying case. (Exhibit 4.)

PARTIES. The parties to this case were the Applicant, Advisory Neighborhood Commission ("**ANC**") 5C, Pineview Association, and Fort Lincoln Civic Association, Inc.

ANC REPORT. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on February 13, 2025, at which a quorum was present, the ANC voted to oppose the request. (Exhibit 10.)

OFFICE OF PLANNING ("OP") REPORT. OP submitted a report recommending approval of the time extension request. (Exhibit 8.)

DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT. DDOT did not submit a report to the record.

DEPUTY MAYOR FOR PLANNING AND ECONOMIC DEVELOPMENT ("DMPED") REPORT. DMPED submitted a letter in support of the time extension request. (Exhibit 7.)

PARTY IN OPPOSITION. The Fort Lincoln Civic Association, Inc. submitted a letter in opposition to the time extension request. (Exhibit 6.)

CONCLUSIONS

This request for extension is pursuant to Subtitle Y § 705 of the Zoning Regulations, which permits the Board to extend the time periods in Subtitle Y § 702.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval.

Pursuant to Subtitle Y § 705.2(a), the Applicant shall serve on all parties to the application and all parties shall be allowed 30 days to respond. Pursuant to Subtitle Y § 705.2(b), the Applicant shall demonstrate that there is no substantial change in any of the material facts upon which the Board based its original approval of the application. Finally, under Subtitle Y § 705.2(c), good cause for the extension must be demonstrated with substantial evidence of one or more of the following criteria: (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control; (2) an inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or (3) the existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

Based upon the record before the Board and having given great weight to the appropriate recommendations and reports filed in this case, the Board finds that the Applicant has met the criteria of Subtitle Y § 705.2 to extend the validity of the underlying order.

Pursuant to Subtitle Y § 705.4, the Board's decision on the request shall be in writing and shall become final and effective upon its filing in the record and service upon the parties.

DECISION

It is therefore **ORDERED** that the request for a one-year time extension to the validity of the Board's approval in Order No. 20184 is hereby **GRANTED**, and the Order shall be valid until **April 20, 2026**.

VOTE: **3-0-2** (Frederick L. Hill, Chrishaun S. Smith, and Tammy M. Stidham to APPROVE; Carl H. Blake and Lorna L. John not present, not participating)

DECISION AND ORDER

This self-certified application was filed on November 25, 2019 on behalf of DC Superpack LLC (the "Applicant"). Following a public hearing, the Board voted to deny the application.

PRELIMINARY MATTERS

Notice of Application and Notice of Hearing. In accordance with Subtitle Y §§ 400.4 and 402.1, the Office of Zoning provided notice of the application and of the public hearing by memoranda dated December 27, 2019 to the Applicant, the Office of Planning ("OP"), the District Department of Transportation ("DDOT"), Advisory Neighborhood Commission ("ANC") 2C, the ANC in which the property is located, Single Member District ANC 2C02; ANC 6E, whose boundaries include the area directly across the street from the subject property,[1] the Office of Advisory Neighborhood Commissions, the Councilmember for Ward 2 as well as the Chairman and the at-large members of the D.C. Council, the National Park Service, and the owners of all property within 200 feet of the subject property. Notice was also posted at the subject property and on the Office of Zoning website and was published in the *D.C. Register* on October 4, 2019 (66 DCR 16381).

Parties. Pursuant to Subtitle Y § 403.5, the Applicant, ANC 2C, and ANC 6E were automatically parties in this proceeding.[2] The Board received no requests for party status.

[1] Pursuant to Subtitle Y § 101.8, the term "affected Advisory Neighborhood Commission" or "affected ANC" refers to the ANC where the property that is the subject of an application is located as well as to any ANC that represents an area directly across a street from the subject property.

[2] ANC 6E did not submit a report or otherwise participate in this proceeding.

Applicant's Case. The Applicant provided evidence and testimony in support of the request for zoning relief to allow an animal care use in the ground-floor commercial space at an existing apartment house.

OP Report. By memorandum dated January 30, 2020, the Office of Planning recommended approval of the zoning relief requested by the Applicant. (Exhibit 33.)

DDOT Report. By memorandum dated January 24, 2020, the District Department of Transportation indicated no objection to the Applicant's proposal. (Exhibit 32.)

ANC Report. By letter dated January 29, 2020, ANC 2C indicated that, at a public meeting on January 14, 2020 with a quorum present, the ANC voted to support the application. (Exhibit 34.)

FINDINGS OF FACT

1. The property that is the subject of this application is an irregularly shaped corner lot on the south side of Massachusetts Avenue near its intersection with 5th and I Streets, N.W., with the address 450 Massachusetts Avenue, N.W. (Square 517, Lot 50).

2. The subject property has a lot area of 44,648 square feet and is improved with an apartment house built around 2002, known as the "Meridian." The building is approximately 110 feet in height.

3. The ground floor of the building contains 21 apartments as well as non-residential space. The upper floors contain apartments.

4. The Applicant entered into a lease for a commercial space on the ground floor of the building for the operation of an animal boarding use. The space contained 1,910 square feet of space located in the northwestern portion of the building, facing I Street.

5. The animal boarding use would be located next to an apartment in the residential space on the first floor and directly below residential space on the second floor.

6. The proposed animal boarding use would offer daytime and some overnight animal boarding in addition to dog training and limited retail sales of pet accessories. The hours of operation would be 7:00 a.m. until 7:00 p.m. every day. The animal boarding use would not utilize any external animal recreation yard or facilities except that employees would take leashed dogs for walks around the neighborhood.

7. The Applicant's space would be configured as two larger pens (470 and 590 square feet) as well as smaller pens, a reception area, lounge, restroom, food preparation area, and a storage area. The facility was designed to care for approximately 50 dogs per day.

8. The Applicant proposed to utilize "animal boarding best practices featuring industry-standard construction methods" such as acoustical concrete and masonry and sound-absorbing materials including acoustical flooring and panels and two-ply stone wall sheeting to minimize the transmission of noise to an abutting residential unit. The building had a concrete floor, six inches thick, between the first and second floors, which the Applicant asserted would adequately minimize the transmission of sound from the planned animal boarding use. The Applicant also noted that its commercial lease agreement included a "do not disturb" requirement, creating an additional incentive "to limit the transmission of sound to adjacent spaces to maintain enjoyment by all tenants, both commercial and residential." (Exhibits 40, 44.)

9. The Applicant indicated that all animal waste would be stored in closed waste disposal containers. The Applicant would contract with a qualified commercial waste-disposal company to collect and dispose of all animal waste at least weekly.

10. The Applicant would install an air filtration system to control waste-related odors.

11. Vehicular access to the subject property is provided from I Street and Massachusetts Avenue. Vehicle parking at the subject property is provided in four spaces at grade for visitors and a below-grade garage and loading facilities.

12. The subject property has frontage on three streets (5th Street, I Street, and Massachusetts Avenue) and abuts a public alley, 20 feet wide, along the rear (south) lot line.

13. The subject property is located approximately 185 feet from the closest residential use on any other property.

14. Properties to the north, across Massachusetts Avenue, contain small office buildings as well as large office buildings with ground-floor retail space. Properties to the south, across the alley, contain a 10-story apartment house as well as two- and three-story commercial buildings. Other nearby properties contain a large apartment house with ground-floor commercial space and a church.

15. The surrounding neighborhood is characterized by high-density commercial and residential uses, including restaurants, retail and service uses, hotels, office space, churches, and apartment houses.

16. The subject property and surrounding lots are located in a Downtown (D) zone, D-4-R. The zoning provisions applicable in the Downtown zones are intended to:
    (a) create a balanced mixture of land uses by providing incentives and requirements for retail, residential, entertainment, arts, and cultural uses the Comprehensive Plan identifies as essential to a successful downtown, and by guiding and regulating office development;

(b) protect historic buildings and places while permitting compatible new development, subject to the review process of the Historic Landmark and Historic District Protection Act of 1978;

(c) guide the design of buildings into being not inconsistent with the policies of the Central Washington Element and other relevant elements of the Comprehensive Plan;

(d) provide for the return of historic L'Enfant streets and rights of way;

(e) establish design or use requirements for the ground-level of buildings facing certain streets that are of high priority for furthering retail, pedestrian or historic purposes contained in the Comprehensive Plan;

(f) encourage the development of publicly accessible open space;

(g) encourage the development of housing, including the development and preservation of affordable housing, in Central Washington consistent with the policies of the Central Washington Element and other relevant elements of the Comprehensive Plan;

(h) provide incentives and flexible mechanisms for achieving the retail, residential, historic, and open spaces goals through the generation and use of density credits that can be traded within defined areas;

(i) ensure a continued mix of retail and residential development in the Comprehensive Plan's Chinatown policy focus area;

(j) promote the growth of a well-designed mixed-uses and streetscapes on portions of M Street, S.E., South Capitol Street, and properties now devoted to federal offices in Southwest, including a mechanism for selective design review by the Zoning Commission; and

(k) provide for adequate and visually acceptable parking and consolidated loading facilities that do not interfere with active, pedestrian-oriented sidewalks and the flow of vehicular traffic. (Subtitle I § 100.2.)

17. The purpose of the D-4-R zone is to promote the development of high-density residential and mixed-use neighborhoods on Massachusetts Avenue between Thomas Circle and New Jersey Avenue, N.W.; the Mount Vernon Triangle neighborhood located between New York, New Jersey, and Massachusetts Avenues, N.W.; and the blocks between Massachusetts Avenue, N.W. and Judiciary Square. (Subtitle I § 530.)

CONCLUSIONS OF LAW AND OPINION

The Applicant requested a special exception under Subtitle I § 303.1 and Subtitle U § 513.1(a) and a variance from the requirements of Subtitle U § 513.1(a)(2) to allow an animal care and boarding use in an existing mixed-use building, without the required separation from residential use, in the D-4-R zone at 450 Massachusetts Avenue, N.W. (Square 517, Lot 50)

Special exception. The Board is authorized under § 8 of the Zoning Act, D.C. Official Code § 6-641.07(g)(2) (2012 Repl.), to grant special exceptions, as provided in the Zoning Regulations, when, in the judgment of the Board, the special exception will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map, subject to specific conditions. (*See* 11 DCMR Subtitle X § 901.2.)

The Board is authorized under Subtitle I § 303.1 to approve, as a special exception, an animal boarding use in the D-4-R zone subject to certain requirements, including those stated in Subtitle I § 513.1(a). The Applicant proposed to provide an animal boarding use in a commercial space on the ground floor of an existing apartment house, which met the requirements of Subtitle I § 303.1(a) in that the proposed animal boarding use would be provided on the ground floor of the building and would not involve a pet grooming establishment or pet shop use.

In accordance with Subtitle U § 513.1(a)(1), the proposed use would be located on a property in a Downtown zone and not abutting or within 25 feet of any property line of an existing residential zone or residential use (except for the apartments in the same building as the planned use). Pursuant to Subtitle I § 513.1(a)(2), an animal boarding use located in a mixed-use building is not permitted on the same floor as a residential use and must be horizontally separated from any residential use by at least one floor of nonresidential use. As discussed below, the Applicant has requested an area variance from this requirement, which would not be met at the subject property.

Pursuant to Subtitle I § 513.1(a)(3), an animal boarding use must be located and designed to create no objectionable conditions to adjacent properties resulting from animal noise, odor, or waste, and the use must utilize industry standard sound-absorbing materials, such as acoustical floor and ceiling panels, acoustical concrete and masonry, and acoustical landscaping. The application demonstrated that the proposed animal boarding use would be located in ground-floor commercial space of a building that has street or alley frontage on all sides. Thus, the planned use would be at a substantial distance from other buildings and would not likely create objectionable conditions resulting from animal noise, odor, or waste. However, the Board notes that the proposed use would be in a mixed-use building, where residential apartments would be on the same floor and on the floor immediately above the animal boarding use.

Pursuant to Subtitle I § 513.1(a)(4), an animal boarding use may not use any external facilities for the keeping of animals. The Applicant did not propose any yard or other external facilities in connection with the planned animal boarding use.

Pursuant to Subtitle I § 513.1(a)(5), all animal waste associated with an animal boarding use must be placed in closed waste disposal containers, and a qualified waste disposal company must be utilized to collect and dispose of all animal waste at least weekly. Odors created by the use must be controlled by means of an air filtration system (such as high efficiency particulate air ("HEPA") filtration) or other effective odor control system. The application described the measures the Applicant intended to implement to store and dispose of animal waste, and to address potential odors.

Subtitle X, Chapter 9. Pursuant to Subtitle X § 901.2, the Board is authorized to grant a special exception where, in the judgment of the Board, the special exception (a) will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Map, (b) will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map, and (c) will meet the conditions specified in the Zoning Regulations for the particular special exception. In this case, the Board concludes that the application failed to meet the requirements of Subtitle X § 901.2 because the Applicant's proposal would not meet all the requirements specified in the Zoning Regulations for approval of a special exception under Subtitle U § 513.1(a) or, as discussed below, satisfy the requirements for a variance from those requirements. Therefore, approval of the application would not be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Map.

Variance. The Applicant requested an area variance from Subtitle U § 513.1(a)(2), which requires that, when an animal boarding use is located in a mixed-use building, the use must not be on the same floor as a residential use and must be horizontally separated from any residential use by at least one floor of nonresidential use. The Applicant proposed an animal boarding use that would be located on the same floor as a residential use and would not be separated horizontally from a residential use by at least one floor of nonresidential use. The proposed use would be located on the ground floor of a building that contains ground-floor residential units as well as residential units on the floor immediately above the proposed use. The Board is authorized under § 8 of the Zoning Act to grant variance relief where, "by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the original adoption of the regulations or by reason of exceptional topographical conditions or other extraordinary or exceptional situation or condition of a specific piece of property," the strict application of the Zoning Regulations would result in peculiar and exceptional practical difficulties to or exceptional and undue hardship upon the owner of the property, provided that relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map. (*See* 11 DCMR Subtitle X § 1000.1.)

The Board has the flexibility to consider a number of factors when deciding whether to approve an application for a variance, including the weight of the burden of strict compliance, the severity of the variance requested, and the effect the proposed variance would have on the overall zone plan. *Gilmartin v. District of Columbia Bd. of Zoning Adjustment*, 579 A.2d 1164, 1171 (D.C. 1990); *see also Washington Canoe Club v. District of Columbia Zoning Com'n*, 889 A.2d 995, 1001 (D.C. 2006). In this case, the Applicant's proposal would require a significant degree of variance relief, given that the proposed animal boarding use would be both on the same floor as a

residential use and not horizontally separated from a residential use by at least one floor of nonresidential use; that is, the proposed use would be located directly contrary to zoning requirements in both respects. Based on the findings of fact, and having given great weight to the recommendation of the Office of Planning and to the report of ANC 2C, the Board concludes that the application failed to satisfy the burden of proof with respect to the requested variance.

The Board does not find that the subject property is faced with any exceptional situation or condition that would warrant approval of the requested variance. The Applicant asserted that the subject property was characterized by an exceptional situation in that the Applicant leased space on the ground floor of a large apartment house, which has both residential and non-residential uses on the ground floor and is located along a large commercial street; that the planned use would be in a small space; and that the Applicant did not control the use of the floor immediately above the planned use. However, the subject property is located in an area with a number of mixed-use buildings configured in a variety of ways. The inability of the Applicant, as a commercial tenant within a primarily residential building, to control other uses within the same building does not provide a basis to approve the requested variance. Tenants typically do not exert control over other portions of a building that contain the leased premises.

Generally, an applicant's desire to utilize property for a certain use is not by itself sufficient to create an extraordinary or exceptional situation or condition under the zoning regulations. *Palmer v. District of Columbia Bd. of Zoning Adjustment*, 287 A.2d 535, 540 (D.C. 1972). The Applicant argued that the exceptional aspects facing the subject property were not related to the proposed use but to other factors, such as that other mixed-use buildings in the vicinity do not have ground-floor residential space, that the commercial space at the subject property was designed to be smaller than similar space in newer buildings and therefore would provide greater separation from residential units, and that the Applicant leased space in a building located near "multiple parks frequented by dog owners." (Exhibit 40.) The Board does not agree, because none of the factors cited by the Applicant reflected the existence of an exceptional situation except to illustrate that the space at the subject property did not meet zoning requirements for the proposed animal boarding use despite its location near dog owners.

The Board does not find that the strict application of the Zoning Regulations would result in peculiar and exceptional practical difficulties to the owner of the subject property. The Applicant asserted that the commercial space would be ideal for an animal boarding use in light of the number of dog owners in the building (as well as in the surrounding neighborhood), thereby benefitting the owner by providing an attractive amenity for building residents, and because the owner had encountered difficulties in finding potential tenants for the commercial space. The application described the Applicant's space as smaller than similar space in other buildings and stated that the space now leased to the Applicant had been vacant for an extended period. However, the application did not demonstrate that the potential "underutilization" of the space leased by the Applicant was due to the strict application of the Zoning Regulations. Moreover, the application reflected that the Applicant was planning to occupy a relatively large area of commercial space, which had been occupied by two separate uses previously, and that only one portion was currently vacant while the other contained a commercial use.

Approval of the requested variance would not likely cause substantial detriment to the public good, given that the application addressed the Applicant's compliance with the other requirements for approval of the requested special exception. However, approval of the variance would substantially impair the intent, purpose, and integrity of the zone plan, because the application did not provide an adequate basis to support the location of the animal boarding use in such close proximity to a residential use.

Great weight. The Board is required to give "great weight" to the recommendation of the Office of Planning. (D.C. Official Code § 6-623.04 (2012 Repl.).) For the reasons discussed above, the Board did not agree with OP's recommendation that the application should be approved.

The Board is also required to give "great weight" to the issues and concerns raised by the affected ANC. (Section 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976. (D.C. Law 1-21; D.C. Official Code § 1-309.10(d)(3)(A) (2012 Repl.)).) In this case, ANC 2C indicated its support for the Applicant's proposal but, for the reasons discussed above, did not provide persuasive advice with respect to how the application met the requirements for the requested variance relief.

Exceptions to the Proposed Order. Because a majority of the Board members participating in the issuance of this order did not personally hear the evidence in this application, a proposed order was provided to the parties on February 5, 2025 to afford them an opportunity to present written exceptions, in accordance with D.C. Official Code § 2-509(d). The Board received no exceptions.

Based on the findings of fact and conclusion of law, the Board concludes that the Applicant has not satisfied the burden of proof for a special exception under Subtitle I § 303.1 and Subtitle U § 513.1(a) or for an area variance from Subtitle U § 513.1(a)(2) to allow an animal care and boarding use in an existing building in the D-4-R zone at 450 Massachusetts Avenue, N.W. (Square 517, Lot 50). Accordingly, it is **ORDERED** that the application is **DENIED**.

VOTE:	**3-0-2**	(Carlton E. Hart, Lorna L. John, and Michael G. Turnbull voting to deny; Frederick L. Hill not participating; one Board seat vacant)
VOTE:	**5-0-0**	(Frederick L. Hill, Carl H. Blake, Chrishaun S. Smith, Lorna L. John, and Robert E. Miller voting to issue this Order)

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 20853 of 1212 Oates Street LLC, pursuant to 11 DCMR Subtitle X, Chapter 9 for a special exception under Subtitle E § 204.4 from the requirements of Subtitle E § 204.1 to allow a significant alteration of a rooftop architectural element (a porch roof) original to a principal building at an existing row building (two-unit flat) in the RF-1 zone at 1212 Oates Street, N.E. (Square 4060, Lot 79).[1]

HEARING DATES: March 29, July 26, and December 6, 2023, January 31, 2024
DECISION DATE: January 31, 2024

DECISION AND ORDER

This self-certified application was filed on September 27, 2022 on behalf of 1212 Oates Street LLC (the "Applicant"), the owner of the property that is the subject of the application. Following a public hearing, the Board voted to approve the application.

PRELIMINARY MATTERS

Notice of Application and Notice of Hearing. In accordance with Subtitle Y §§ 400.4 and 402.1, the Office of Zoning provided notice of the application and public hearing by memoranda dated November 3, 2022 to the Applicant, the Office of Planning ("OP"), the District Department of Transportation ("DDOT"), Advisory Neighborhood Commission ("ANC") 5D, the ANC in which the property is located, Single Member Districts ANC 5D04 and 5D07, the Office of Advisory Neighborhood Commissions, the Department of Buildings, the Councilmember for Ward 5 as well as the Chairman and the at-large members of the D.C. Council, and the owners of all property within 200 feet of the subject property. Notice was published in the *D.C. Register* on November 18, 2022 (69 DCR 014251).[2]

[1] The caption originally stated the relief requested as a special exception from the rooftop and upper floor requirements of Subtitle E § 206.1 pursuant to Subtitle E §§ 206.4 and 5207 and Subtitle X § 901.2. By order issued August 25, 2023, the Zoning Commission approved text amendments that amended some of the regulations applicable to the Applicant's proposal. (See Zoning Commission Orders No. 18-16 and 19-27.) The Applicant updated the application with corrected citations to relevant provisions (see Exhibit 54). This order reflects the zoning provisions in effect at the time of the Board's vote at the conclusion of the public hearing.

[2] The public hearing was originally scheduled for March 29, 2023 and postponed four times at the Applicant's request (Exhibits 41, 47, 50, 59.)

Parties. Pursuant to Subtitle Y § 403.5, the Applicant and ANC 5D were automatically parties in this proceeding. The Board granted a request for party status in opposition to the application submitted by Martin Holmes (Exhibits 21, 21A, 29B, 29C), the owner of a property abutting the subject property.

Applicant's Case. The Applicant provided evidence and testimony in support of the application, including from Andrei Banks, an expert in architecture.

OP Report. By memorandum dated March 16, 2023, the Office of Planning recommended approval of the special exception requested by the Applicant. (Exhibit 30.)

DDOT Report. By memorandum dated March 17, 2023, the District Department of Transportation indicated no objection to approval of the application. (Exhibit 31.)

ANC Report. By letter dated March 28, 2023, ANC 5D indicated that the ANC voted at a public meeting on March 13, 2023, with a quorum present, to oppose the Applicant's project. (Exhibit 38.)

Party in opposition. The party in opposition, Martin Holmes, provided evidence and testimony in opposition to the application, including from Guillermo Rueda, an expert in architecture. The party in opposition asserted that "the disjointed and out-of-character design" of the Applicant's project would isolate his dwelling from other dwellings on the street and that the Applicant's proposal required additional zoning relief. (Exhibit 29C.)

Persons in opposition. The Board received letters in opposition to the application from residents living near the subject property, who generally objected to the appearance of the Applicant's project.

FINDINGS OF FACT

1. The property that is the subject of this application is an interior lot on the north side of Oates Street near its intersection with Montello Avenue, with the address 1212 Oates Street, N.E. (Square 4060, Lot 79).

2. The subject property is rectangular, approximately 16.75 feet wide and 77.5 feet deep. The lot area is 1,298 square feet.

3. The subject property was improved with an attached building formerly used as a principal dwelling. The building was two stories and 24.5 feet in height. The front façade had a one-story covered porch.

4. The Applicant undertook a project to enlarge the existing building with a new third story as well as a three-story rear addition for the conversion of the building to a two-unit flat. The building height will be increased to 34.25 feet.

5. The Applicant obtained Building Permit No. B1915131 on July 22, 2020 and began construction.

6. The Applicant retained a firm of geotechnical experts who prepared a report indicating that "the top of the building's footing was 1'-1" below the current slab and the new slab should be lowered to the top of the existing footings to provide the desired cellar ceiling height." After beginning construction, the Applicant discovered that the footing was uneven; "to level the foundation, the Applicant poured a new slab at the same height as the old slab as depicted in the permit plans…. The height of the building, which was reframed to the same height as the height of original foundation slab, increased causing the porch roof to block a portion of natural light to the first floor of the building." (Exhibit 28.)

7. The Applicant rebuilt the porch roof 18 inches higher than the original porch roof. An inspection performed by the Department of Consumer and Regulatory Affairs identified a violation of the Zoning Regulations in connection with the changes to the porch roof.[3]

8. The Applicant now proposes to retain the newly constructed porch roof at its current height. (Exhibit 28.) The two existing masonry columns at the outer edges of the front of the porch will be raised 18 inches with matching brick and coursing sizes. The new porch canopy and roofing will be rebuilt to match the existing profile. (Exhibits 5, 28A.)

9. The properties abutting the subject property to the east and west are similar in size and shape. The abutting lots contain attached dwellings similar to the Applicant's existing dwelling, including a one-story front porch.

10. The porch roof original to the existing building at the subject property was approximately six inches higher than the porch roof on the abutting building to the west and lower than the porch roof on the abutting building to the east.

11. The new porch roof on the Applicant's building will be higher than the porch roofs on both abutting dwellings. (Exhibits 5, 28A.)

12. The subject property abuts a public alley along its rear (north) lot line. The alley extends generally east-west through the interior of the square, with a north-south segment providing access to Oates Street to the south and Owen Place to the north. The north-south segment abuts the west side lot line of the abutting property to the west of the subject property.

13. The subject property is not located in a historic district.

14. The subject property is located in a Residential Flat (RF) zone, RF-1.

[3] As of October 1, 2022, the zoning functions formerly performed by the Department of Consumer and Regulatory Affairs were assumed by the new Department of Buildings. *See* D.C. Official Code § 10-561.01 *et seq*.

15. The Residential Flat zones are residential zones that provide for areas developed primarily with residential row buildings but within which there have been limited conversions of dwellings or other buildings into more than two principal dwelling units. (Subtitle E § 101.1.) The RF zones are intended to (a) recognize and reinforce the importance of neighborhood character, walkable neighborhoods, housing affordability, aging in place, preservation of housing stock, improvements to the overall environment, and low- and moderate-density housing to the overall housing mix and health of the city; (b) allow for limited compatible non-residential uses; (c) allow for the matter-of-right development of existing lots of record; (d) establish minimum lot area and lot width for the subdivision and creation of new lots of record in RF zones; (e) allow for the limited conversion of single household dwellings and other structures for flats; and (f) prohibit the conversion of single household dwellings and flats for apartment house as anticipated in the Residential Apartment zones. (Subtitle E § 101.2.)

16. The purpose of the RF-1 zone is to provide for areas predominantly developed with residential row buildings on small lots within which no more than two principal dwelling units are permitted. (Subtitle E § 101.4.)

CONCLUSIONS OF LAW

The Applicant seeks a special exception under Subtitle E § 204.4 from the requirements of Subtitle E § 204.1 to allow a significant alteration of a rooftop architectural element (a porch roof) original to a principal building at an existing row building (two-unit flat) in the RF-1 zone at 1212 Oates Street, N.E. (Square 4060, Lot 79). The Board is authorized under § 8 of the Zoning Act, D.C. Official Code § 6-641.07(g)(2) (2012 Repl.), to grant special exceptions, as provided in the Zoning Regulations, when, in the judgment of the Board, the special exception will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map, subject to specific conditions. (*See* 11 DCMR Subtitle X § 901.2.)

Pursuant to Subtitle E § 204.1 (and subject to exceptions not relevant to this application), a rooftop architectural element original to a principal building (such as cornices, porch roofs, a turret, tower, or dormers) must not be removed or significantly altered, including by shifting its location, changing its shape, or increasing its height, elevation, or size. The Applicant proposed to replace the roof of a front porch, which was original to the existing building at the subject property, with a new porch roof approximately 18 inches higher than the original roof.

In accordance with Subtitle E § 204.4, the Board is authorized to grant relief from the requirements of Subtitle E § 204.1 as a special exception subject to specific requirements. The requirements include that the proposed construction must not have a substantially adverse effect on the use or enjoyment of any abutting or adjacent dwelling or property; in particular, (a) the light and air available to neighboring properties must not be unduly affected, (b) the privacy of use and enjoyment of neighboring properties must not be unduly compromised, and (c) the proposed construction, as viewed from the street, alley, and other public way, must not substantially visually

intrude on the character, scale, and pattern of houses along the street or alley frontage. (Subtitle E § 204.4(a).) Based on the findings of fact, and having given great weight to the recommendation of the Office of Planning and to the issues and concerns stated by ANC 5D, the Board concludes that the application has met the requirements for approval of the requested zoning relief.

The Board concludes that approval of the requested special exception will not unduly affect the light and air available to neighboring properties or unduly compromise the privacy of use and enjoyment of neighboring properties. The Applicant proposed to alter a rooftop architectural element original to a principal building – the roof of a one-story front porch – by installing a new porch roof in a different location, approximately 1.5 feet higher than the original porch roof, which was removed. The Applicant's proposal did not involve changing the shape or increasing the size of the porch roof, which will be supported by the existing columns with extensions of the same dimensions. The Board agrees with the Applicant and the Office of Planning that the planned new porch roof will not affect the light, air, or privacy available to neighboring properties, which have similar front porches.

The Board concludes that the proposed construction, as viewed from the street and nearby alley, will not substantially visually intrude on the character, scale, or pattern of houses along the street or alley frontage. The Applicant submitted plans and photographs sufficient to represent the relationship of the proposed construction to adjacent buildings and views from the street and the nearby public alley segment that intersects with Oates Street (see, e.g. Exhibit 67, pp. 4, 9-10; Exhibit 70). The plans reflected that the Applicant's new porch roof, unlike the original porch roof, will be higher than the roof of the porch on the abutting property to the east. However, under the circumstances, the Board does not consider the change in elevation as a significant difference that would render the new porch roof a substantial visual intrusion on the character, scale, and pattern of houses along the street frontage. The roof itself will be of the same dimensions and materials. The elevations of the existing porch roofs on the block are not uniform but are progressively higher to the east of the subject property in light of the sloping nature of the street.

The Board credits the Applicant's testimony that "this block of Oates Street is not uniform, but contains a mix of aesthetics, structures, setbacks, building heights and porches/awnings." (Exhibit 28.) The Board also credits the testimony of the Office of Planning that the new porch roof will not substantially visually intrude on the character, scale, and pattern of houses along the street because "on this block-face, the porch roofs are not all of a similar design and height" and the block contains "porch roofs that are not at the same height as neighboring porch roofs, as well as houses with no porch roof." (Exhibit 30.) In light of the existing variety of front porches on the block, the Board was not persuaded by the party in opposition that the Applicant's proposal would "isolate" the abutting dwelling from other dwellings on the street by virtue of the change in the location of the porch roof at the subject property.

Subtitle X, Chapter 9. For the reasons discussed above, the Board concludes that approval of the application will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Map, as is required for approval of the application under

Subtitle X § 901.2. The Applicant's project will continue the residential use of the building at the subject property as a two-unit flat, a use permitted as a matter of right in the RF-1 zone. The Applicant indicated that the project will comply with applicable development standards with respect to building height, yards, and lot occupancy. Accordingly, the Board concludes that approval of the requested special exception will be consistent with the purpose of the RF-1 zone to provide for areas predominantly developed with residential row buildings on small lots with no more than two principal dwellings. Approval of the application is also consistent with the intent of the RF zones to recognize and reinforce the importance of neighborhood character, walkable neighborhoods, housing affordability, preservation of housing stock, improvements to the overall environment, and low- and moderate-density housing to the overall housing mix and health of the city.

The Board concludes that approval of the requested special exception will not adversely affect the use of neighboring properties. As discussed above, the new porch roof will not affect the light, air, or privacy available to nearby properties. The Applicant indicated that the new porch roof will provide for the drainage of stormwater toward the front of the Applicant's building with "minimal discharge" to abutting properties. The party in opposition objected to the change in elevation of the new porch at the subject property but did not demonstrate that the replacement of the porch roof would affect the use of any other property, including the front porches of the abutting dwellings.

Great weight. The Board is required to give "great weight" to the recommendation of the Office of Planning. (D.C. Official Code § 6-623.04 (2012 Repl.).) For the reasons discussed above, the Board agrees with OP's recommendation that, in this case, the application should be approved.

The Board is also required to give "great weight" to the issues and concerns raised by the affected ANC. (Section 13(d) of the Advisory Neighborhood Commissions Act of 1975, effective March 26, 1976. (D.C. Law 1-21; D.C. Official Code § 1-309.10(d)(3)(A) (2012 Repl.)).) In this case, ANC 5D voted to oppose the application on grounds including that approval of the application would "cause significant harm to the adjacent and adjoined neighbors" and "substantially intrude upon the character, scale, and pattern of houses along the street, isolating and breaking up what was once a uniform stretch of rowhomes." (Exhibit 38.) The Board credited the unique vantage point of ANC 5D but, for reasons discussed above, did not find its advice a persuasive reason to deny the application. The ANC's objections were based largely on changes to the Applicant's front porch, especially the elevation of the porch floor, and changes to other aspects of the Applicant's building, and were not related to the Applicant's modification of the porch roof that generated a need for zoning relief. The Board did not agree with the ANC that, prior to the Applicant's project, "the porches and upper roofs on this block were identical in character" or that the relocation of the Applicant's porch roof would affect the use of porches on neighboring properties.

ANC 5D also stated concerns about matters that were outside the scope of the Board's jurisdiction in this proceeding, including allegations that the building at the subject property did not comply with all applicable zoning requirements, especially with respect to building height in feet and

number of stories, and concerning the Applicant's removal of a cornice original to the existing building. The Board has consistently held that approval of a self-certified application does not constitute a finding by the Board that the relief requested was the zoning relief needed to obtain necessary permits and does not prevent the Zoning Administrator from denying a building permit application because other relief is needed.[4] The District of Columbia Court of Appeals has held that "the 'great weight' requirement extends only to issues and concerns that are 'legally relevant.'" *See, e.g., Bakers Local Union No. 118 v. District of Columbia Bd. of Zoning Adjustment*, 437 A.2d 176 at 179 (D.C. 1981) and *Concerned Citizens of Brentwood v. District of Columbia Bd. of Zoning Adjustment*, 634 A.2d 1234, 1241(DC 1993).

Based on the findings of fact and conclusion of law, the Board concludes that the Applicant has satisfied the burden of proof for a special exception under Subtitle E § 204.4 from the requirements of Subtitle E § 204.1 to allow a significant alteration of a rooftop architectural element (a porch roof) original to a principal building at an existing row building (two-unit flat) in the RF-1 zone at 1212 Oates Street, N.E. (Square 4060, Lot 79). Accordingly, it is **ORDERED** that the application is **GRANTED** consistent with the plans shown in Exhibits 5 and 28A of the record in accordance with Subtitle Y §§ 604.9 and 604.10.

BZA Application No. 21243
Thomas Quinn and Kathleen Quinn
5322 41st Street, N.W. (Square 1742, Lot 53)

HEARING DATE: March 26, 2025
DECISION DATE: March 26, 2025

SUMMARY ORDER

RELIEF REQUESTED. The application requests the following relief in order to construct a rear deck addition, to an existing, attached, two-story principal dwelling unit, in the R-2 zone:

- Special Exception from the side yard requirements of Subtitle D § 208.7, pursuant to Subtitle D § 5201 and Subtitle X § 901.2 (*5 feet minimum required, 0 feet existing, 1 foot proposed*)
- Area Variance from the lot occupancy requirements of Subtitle D § 210.1, pursuant to Subtitle X § 1002 (*40% maximum permitted; 55% existing; 70.3% proposed*)

The application was accompanied by a memorandum from the Zoning Administrator, certifying the required relief. (Exhibits 25A and 25B (Final revised).)

PARTIES. The parties to this case were the Applicant and Advisory Neighborhood Commission ("**ANC**") 3E, the "affected ANC" pursuant to Subtitle Y §§ 101.8 and 403.5(b) of the Zoning Regulations (Title 11 of the DCMR, Zoning Regulations of 2016, to which all references are made unless otherwise specified).

NOTICE OF THE APPLICATION AND PUBLIC HEARING. The Board of Zoning Adjustment (the "**Board**") referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

ANC REPORT. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on March 13, 2025, at which a quorum was present, the ANC voted to support the application, with the condition that the Applicant install and use at least one rain barrel after completion of construction. (Exhibit 28.) The ANC report raised no issues or concerns. The Board did not adopt the suggested condition as part of its approval.

OFFICE OF PLANNING ("OP") REPORT. OP submitted a report recommending approval of the application. (Exhibit 26.)

DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT. DDOT did not submit a report to the record for this application.

PERSONS IN SUPPORT. The Board received three letters from neighbors in support of the application. (Exhibit 29.)

CONCLUSIONS

Pursuant to Subtitle Y § 604.3, the order of the Board may be in summary form where granting an application when there was no party in opposition. As a summary order, it does not constitute binding legal precedent on the Board and shall not be considered by the Board in evaluating future applications.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested special exception and variance relief can be granted because:

- It is in harmony with the general purpose and intent of the Zoning Regulations and Map;
- It will not tend to affect adversely the use of neighboring property;
- Pursuant to Subtitle X § 901.2(c), the relief satisfies the specified conditions for special exception relief;
- There exists an exceptional or extraordinary situation or condition related to the property;
- The exceptional condition creates a practical difficulty, in the case of an area variance, or an undue hardship, in the case of a use variance, in complying with the Zoning Regulations;
- The relief can be granted without substantial detriment to the public good; and
- The relief can be granted without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

DECISION

Based on the case record and the testimony at the hearing, the Board concludes that the applicant has satisfied the burden of proof for the requested relief:

- Special Exception from the side yard requirements of Subtitle D § 208.7, pursuant to Subtitle D § 5201 and Subtitle X § 901.2 (*5 feet minimum required, 0 feet existing, 1 foot proposed*)
- Area Variance from the lot occupancy requirements of Subtitle D § 210.1, pursuant to Subtitle X § 1002 (*40% maximum permitted; 55% existing; 70.3% proposed*)

Accordingly, it is **ORDERED** that the application is **GRANTED** consistent with the plans shown in Exhibit 3 of the record, as required under Subtitle Y §§ 604.9 and 604.10.

Because Thursday, June 19, 2025 is Juneteenth, the deadline for the June 27, 2025 *District of Columbia Register* is Wednesday, noon on June 18, 2025.

Documents that are uploaded after the noon deadline will be published in the next edition of the Register.

The DC Register Submission Deadline Schedule is published at the end of each Register.
