DISTRICT OF COLUMBIA BOARD OF ELECTIONS

NOTICE OF FINAL RULEMAKING

The District of Columbia Board of Elections, pursuant to the authority set forth in the District of Columbia Election Code of 1955, approved August 12, 1955, as amended (69 Stat. 699; D.C. Official Code § 1-1001.05(a)(14) (2016 Repl.)), hereby gives notice of final rulemaking to adopt an amendment to Chapter 5 (Voter Registration) of Title 3 (Elections and Ethics) of the District of Columbia Municipal Regulations (DCMR).

The purpose of the amendment to Subsection 504.7 of the regulations is to include tuition and housing statements from District of Columbia colleges and universities as valid and acceptable proof of residence. Some of these institutions print the student voter's residence address on the tuition or housing bill, while others include it on a separate statement. Including both bills and statements as acceptable proof of residence will ensure that all students can provide valid documentation and prevent disenfranchisement due to technicalities beyond the voter's control.

A Notice of Proposed Rulemaking with respect to this rulemaking was published in the *District of Columbia Register* on February 14, 2025 at 72 DCR 001525. No written comments on the proposed rules were received during the public comment period, and no substantive changes have been made to the regulations as proposed.

The Board adopted these rules as final at a regular meeting on Wednesday April 9, 2025. These final rules will become effective immediately upon publication of this notice in the *District of Columbia Register*.

Chapter 5, VOTER REGISTRATION, of Title 3 DCMR, ELECTIONS AND ETHICS, is amended as follows:

Section 504, REGISTRATION TIMELINESS AND EFFECTIVENESS, is amended as follows:

Paragraph 504.7(h) is amended to read as follows:

(h) A tuition or housing bill or statement from a District of Columbia college or university issued for the current academic or housing term.

DISTRICT OF COLUMBIA BOARD OF ELECTIONS

NOTICE OF FINAL RULEMAKING

The District of Columbia Board of Elections, pursuant to the authority set forth in the District of Columbia Election Code of 1955, approved August 12, 1955, as amended (69 Stat. 699; D.C. Official Code § 1-1001.05(a)(14) (2016 Repl.)), hereby gives notice of final rulemaking action to adopt amendments to Chapter 9 (Filling Vacancies) of Title 3 (Elections and Ethics) of the District of Columbia Municipal Regulations (DCMR).

The purpose of the amendments to these regulations is to: 1) recognize the determination by the Council of the District of Columbia (*see* Sec. 9, Council Resolution 26-0017, approved February 4, 2025) that the Council's expulsion of a member results in a vacancy that triggers the procedures for filling vacancies; and 2) provide clarity regarding the date upon which vacancies occur.

A Notice of Proposed Rulemaking with respect to this rulemaking was published in the *District of Columbia Register* on February 28, 2025 at 72 DCR 002089. No written comments on the proposed rules were received during the public comment period, and no substantive changes have been made to the regulations as proposed.

4) Section 2299 will correct the term from "Restricted-use pesticides" to "Restricted use pesticides" to reflect the statutory term.
5) Subsection 2301.1 will update the federal regulation reference from 40 C.F.R. § 171.3 to 40 C.F.R. § 101.
6) Subsections 2301.2 through 2301.12 will add certification subcategories for pesticide applicators to conform with 40 C.F.R. § 171.303(a)(2).

These applicators shall demonstrate practical knowledge of problems of runoff, drift, and excessive foliage destruction related to pesticide use, and have the ability to recognize target organisms and be knowledgeable of techniques to minimize non-target exposure. They shall also

demonstrate practical knowledge of the use of herbicides, the need for containment of herbicides within the rights-of-way area, and the impact of herbicide application activities in the adjacent areas and communities.

(a) Utility Pole - applicators shall demonstrate practical knowledge of the varieties of weeds growing on utility poles, the most effective restrictive use herbicides for control of the weeds, how to calibrate herbicide application equipment, and how to interpret herbicide label information.

Subsection 2304.9 is amended to read as follows:

2304.9 Industrial, Institutional, Structural, and Health-Related Pest Control - applicators shall demonstrate a practical knowledge of a wide variety of pests, including their life cycles, signs of their presence, habitats, types of pesticide formulations appropriate for their control, and methods of pesticide application that avoid contamination of food, minimize damage to and contamination of areas treated, minimize acute and chronic exposure of people and pets, and minimize environmental impacts of outdoor application. Since human exposure, including exposure to babies, children, pregnant women, and elderly people, is frequently a potential health problem, applicators shall demonstrate a practical knowledge of the specific factors that may lead to a hazardous condition, including the impact of continuous exposure to pesticides in the various situations encountered in this category. Because health-related pest control may involve outdoor applications, applicators shall also demonstrate practical knowledge of environmental conditions that are particularly related to this activity and all other requirements under 40 C.F.R. § 171.103(d)(7).

(a) General Pest - applicators shall demonstrate practical knowledge of pests (including mosquitos) and their life cycles, biology, and behavior as it may be relevant to problem identification and control and the types of restricted use pesticides used for effective control. The required knowledge shall also include how to interpret the labels and labeling information.

(b) Wood-Destroying Organisms - applicators shall demonstrate knowledge of wood-destroying organisms, their life cycles, and signs of their presence. This knowledge shall include types of building construction, types of application equipment, how to select the most effective restricted use pesticide and how to interpret labels and labeling information.

(c) Wildlife Control - applicators shall demonstrate knowledge of nuisance birds, mammals, reptiles, and other wildlife not covered by the Rodent Control category. This knowledge shall include how to select the most effective restricted use pesticide and how to interpret labels and labeling information.

(d) Rodent Control - applicators shall demonstrate knowledge of the different species of rodents, their life cycles, and signs of their presence. This knowledge shall include how to select the most effective restricted use rodenticide and how to interpret labels and labeling information.

(e) Industrial Weed Control - applicators shall demonstrate knowledge of the different types of weeds growing at industrial sites and the restricted use herbicides for effective control. Applicators shall also be knowledgeable about how to interpret labels and labeling information.

Subsection 2304.10 is amended to read as follows:

2304.10 Public Health Pest Control - applicators shall demonstrate practical knowledge of vector-disease transmission as it relates to and influences pesticide application programs, including recognizing pests and signs of their presence and their habitats, life cycles, biology, and behavior as it may be relevant to problem identification and control, and how to minimize: damage to and contamination of areas treated; acute and chronic exposure of people and pets; and non-target exposures. A wide variety of pests may be involved, and it is essential that all varieties of pests in the affected area be known and recognized, and that appropriate life cycles and habitats be understood as a basis for developing a control strategy. Applicators shall have practical knowledge of the variety of environments in which pesticides may be used, ranging from streams to conditions found in buildings. They also should have practical knowledge of the importance and employment of nonchemical control methods such as sanitation, waste disposal, and drainage.

Subsection 2304.12 is amended to read as follows:

2304.12 Demonstration and Research Pest Control - persons demonstrating the safe and effective use of pesticides to other applicators and the public or conducting research shall meet comprehensive standards reflecting knowledge of a broad spectrum of pesticide uses. Many different pest problem situations will be encountered during activities associated with demonstration or research; and practical knowledge of potential problems, relevant pests, and population levels occurring in each demonstration situation is required. Further, applicators shall demonstrate practical knowledge of the effects of restricted use pesticides on target and non-target organisms, an understanding of pesticide-organism interactions, and the importance of integrating pesticide use with other control methods. Applicators doing demonstration or research pest control work shall possess practical knowledge of all of the standards detailed in Subsection 2304.4 of this section. DISTRICT DEPARTMENT OF TRANSPORTATION

NOTICE OF PROPOSED RULEMAKING

The Director of the District Department of Transportation ("DDOT"), pursuant to the authority set forth in Sections 3(b), 5(a)(3)(E), 6(b), 7, and 9j of the Department of Transportation Establishment Act of 2002, effective May 21, 2002 (D.C. Law 14-137; D.C. Official Code §§ 50-921.02(b), 50-921.04(a)(3)(E), 50-921.05(b), 50-921.06, and 50-921.18); Sections 603 and 604 of the Fiscal Year 1997 Budget Support Act of 1996, effective April 9, 1997 (D.C. Law 11-198, D.C. Official Code § 10-1141.03 and 10-1141.04); Sections 6b and 6c of the District of Columbia Traffic Act, 1925, effective March 16, 2021 (D.C. Law 23-203; D.C. Official Code §§ 50-2201.03b and 50-2201.03c); Mayor's Order 2018-075, dated October 2, 2018, and Mayor's Order 2022-022, dated February 3, 2022, hereby gives notice of her intent to adopt the following amendments to Chapter 33 (Public Right-Of-Way Occupancy Permits) of Title 24 (Public Space and Safety) of the District of Columbia Municipal Regulations (DCMR) in not less than thirty (30) days after the publication of this notice in the *District of Columbia Register*.

This rulemaking permits the Director of DDOT to waive the per-device fees for shared fleet device operators when the operator demonstrates sufficient usage among low-income riders. Under the current regulations, the Director's authority to waive these fees terminates on December 31, 2024.

In the 2023-2024 permit cycle, the per-device fee waiver incentive was successful in encouraging operators to increase ridership among low-income customers by offering low-income customer plans ("LICP"). In 2023, low-income riders across various LICP programs accounted for approximately 7% of system-wide trips, compared to only approximately 3% in 2022. In 2024, all four operators requested and were awarded fee waivers. This rulemaking authorizes the Director to continue this incentive program, which has demonstrably promoted accessibility for riders of shared fleet devices.

Chapter 33, PUBLIC RIGHT-OF-WAY OCCUPANCY PERMITS, of Title 24, PUBLIC SPACE AND SAFETY, of the DCMR is amended as follows:

Section 3314, SHARED FLEET DEVICE OPERATION AND PERMITS, is amended as follows:

Subsection 3314.3(c)(9) is added to read as follows:

(9) The Director may waive the per-device fees for a shared fleet device permit pursuant to § 3314.31.

Subsection 3314.31(a) is amended to read as follows:

(a) The Director may waive the per-device fees described in § 3314.3(c)(6) that would otherwise be due.

All persons interested in commenting on the subject matter in this proposed rulemaking may file comments in writing, not later than thirty (30) days after the publication of this notice in the *District of Columbia Register*, with Jason Rubinstein, Policy and Legislative Affairs, DDOT, 250 M Street, S.E., Washington, D.C. 20003. An interested person may also send comments electronically to publicspace.policy@dc.gov. Copies of this proposed rulemaking are available, at cost, by writing to the above address, and are also available electronically, at no cost, on the District Department of Transportation's website at www.ddot.dc.gov.

Mayor's Order 2025-053
April 15, 2025

SUBJECT: Extraordinary Measures to Address Congressionally-Imposed Cuts to the District's Fiscal Year 2025 Budget

ORIGINATING AGENCY: Office of the Mayor

By virtue of the authority vested in me as Mayor by sections 422 and 449 of the District of Columbia Home Rule Act, approved December 24, 1973, 87 Stat. 790; D.C. Official Code §§ 1-204.22 and 1-204.49, and in accordance with the authority, requirements, and principles of sections 442(a)(1) and (c), 448(a)(1), and 603(d) and (e) of the District of Columbia Home Rule Act, 87 Stat. 790, Pub. L. 93-198; D.C. Official Code §§ 1-204.42(a)(1) and (c), l-204.48(a)(l), and 1-206.03(d) and (e), the Federal Anti-Deficiency Act, 31 U.S. Code §§ 1341 *et seq.*, and the District Anti-Deficiency Act of 2002, effective April 4, 2003, D.C. Law 14-285, D.C. Official Code § 47-355.01 *et seq.*, it is hereby **ORDERED** that:

I. BACKGROUND

A. The District of Columbia Government ("District Government") enacted its budget for Fiscal Year 2025 in July 2024. The budget included approximately $13.2 billion in funds generated by District real property taxes, District income taxes (individual and corporate), District sales taxes, and other District-generated funds. The District Government thereafter transmitted the budget to Congress for its approval.

B. In September 2024, Congress adopted and the President signed a continuing resolution for Fiscal Year 2025.[1] The continuing resolution approved the District-enacted budget for Fiscal Year 2025, and the District Government began operating at the authorized and budgeted amounts.

C. In December 2024, Congress adopted and the President signed an extension to the prior continuing resolution.[2] This legislation once again approved the District-enacted Fiscal Year 2025 budget and the District Government continued to operate at the authorized and budgeted amounts.

[1] Continuing Appropriations and Extensions Act, 2025, approved September 26, 2024 (Public Law 118-83; 138 Stat. 1524).
[2] American Relief Act, 2025, approved December 21, 2024 (Public Law 118-158; 138 Stat. 1722).

D. In March 2025, Congress adopted and the President signed a full-year continuing resolution for Fiscal Year 2025.[3] Inexplicably, and over the strong objections of the District Government, the full-year continuing resolution essentially nullified the District's approved Fiscal Year 2025 spending levels, reverting to the Fiscal Year 2024 spending levels and thereby cutting the District's local budget by $1.1 billion — even though Congress had twice previously approved the District's full Fiscal Year 2025 budget and even though the funding that was cut is generated solely by the District's local taxes and charges.

E. The District Government and District residents repeatedly warned Congress of the dire consequences that would result from this unprecedented and wholly unnecessary cut to the District's budget, including cuts to the District's public safety, education, and public works clusters. Hundreds of District residents went to the U.S. Capitol to advocate for the District and educate members of Congress on the impacts of their legislative action.

F. Recognizing its mistake and the drastic consequences of its action, the Senate promptly passed a bill introduced by Senator Susan Collins[4] to restore the District's Fiscal Year 2025 budget, and President Donald J. Trump encouraged the House of Representatives to pass the bill.

G. Unfortunately, the House of Representatives failed to act on the Senate bill before going on spring recess. Due to the House of Representatives' failure to act, the District now faces, in the middle of the current fiscal year — and after twice having had its full Fiscal Year 2025 budget approved — a $1.1 billion cut to its local budget.

H. The Fiscal Year 2025 local funds budget totals $13.2 billion, an increase of $1.1 billion over the Fiscal Year 2024 local funds budget. The top five major investment drivers year over year include: the Washington Metropolitan Area Transit Authority, District of Columbia Public Schools, District of Columbia public charter schools, human services, Metropolitan Police Department, and capital interest payments to allow for investments in schools, recreation centers, infrastructure, and world-class venues. Without the ability to fully execute the Fiscal Year 2025 budget as adopted and approved by the District, this gap will force reductions in critical services provided by our largest agencies, including the Metropolitan Police Department and the Fire and Emergency Medical Services Department.

I. The District will continue to work with members of the House of Representatives to urge them to vote to fully restore the District's Fiscal Year 2025 budget and

[3] Full-Year Continuing Appropriations and Extensions Act, 2025, approved March 15, 2025 (Pub. L. 119-4; 139 Stat. 9).
[4] District of Columbia Local Funds Act, 2025, introduced March 14, 2025 (S. 1077).

will continue to work with President Trump to strongly encourage the House of Representatives to take that action.

J. However, given the magnitude of the current budget shortfall caused by Congress, the fact that less than half a fiscal year remains in which to close the shortfall, the fact that federal law prohibits the District's budget from exceeding authorized appropriations, and the need to balance the Fiscal Year 2025 budget before the proposed Fiscal Year 2026 budget may be certified by the Chief Financial Officer and sent to the Council for its consideration, extraordinary actions must be taken now.

K. To balance the Fiscal Year 2025 budget in the face of these factors will require significant cuts to District Government services, hiring freezes, financial impacts to employees, reductions and terminations of contracts and grants, and closures of District Government facilities. These are unprecedented actions given that the District itself adopted and is able to implement a fully balanced budget, but they are necessary due to the Congressional cut to the District's budget and its inaction in timely fixing its legislative error.

L. Therefore, the District Government must immediately implement the following extraordinary measures.

II. FREEZE ON THE HIRING OF NEW EMPLOYEES AND CONTRACT STAFF

A. There is imposed on all executive branch agencies a freeze on the hiring of new employees, except the hiring of:

1. Individuals with restoration rights mandated by law;

2. Individuals who received a final written job offer on or before noon on April 14, 2025, and who have a confirmed start date on or before May 5, 2025; and

3. Employees whose salaries are funded one hundred percent (100%) by non-governmental funds.

B. There is hereby imposed on all executive branch agencies a freeze on the use of a contract to augment agency staffing.

III. FREEZE ON OVERTIME

There is imposed on all executive branch agencies a freeze on the authorization of employee work hours that will result in the requirement to pay overtime pay for work performed after April 27, 2025.

IV. FREEZE ON PAY RAISES, PROMOTIONS, BONUSES, AND OTHER PAYMENTS

There is imposed on all executive branch agencies a freeze on:

1. Promotions (except temporary promotions of one hundred and twenty (120) days or less, career ladder promotions, and promotions that do not result in an increase in salary or pay);

2. Reclassifications (except for reclassifications that do not result in an increase in salary or pay);

3. Pay raises and other salary adjustments (except for step increases and cost of living adjustments required by law, regulation, court order, or a collective bargaining agreement);

4. Additional income allowances;

5. Bonuses;

6. Awards;

7. Payments and reimbursements of expenses incurred by prospective employees for pre-employment interviews; and

8. Payments and reimbursements of relocation expenses of new employees.

V. FREEZE ON THE PURCHASE OF SUPPLIES, MATERIALS, EQUIPMENT, CONTRACTUAL SERVICES, AND OTHER NON-PERSONNEL EXPENDITURES; FREEZE ON PURCHASE-CARD PURCHASES

A. There is imposed on all executive branch agencies a freeze on all obligations and expenditures of unencumbered and pre-encumbered local, special-purpose revenue, and dedicated tax revenue funds in the following accounts:

   1. 711100C – Supplies and materials;

   2. 713100C – Other services and charges;

   3. 713101C – Security services;

   4. 713200C – Contractual services – other;

   5. 714100C – Government subsidies and grants, except for subsidies and transfers necessary to implement public benefit programs administered by

the Child and Family Services Agency, Department of Aging and Community Living, Department of Employment Services, Department of Energy and Environment, Department of Health, Department of Health Care Finance, Department of Human Services, Department of Youth Rehabilitation Services, Department on Disability Services, Non-Public Tuition paper agency, Office of Neighborhood Safety and Engagement, Office of the State Superintendent of Education, and Office of Victims Services and Justice Grants;

6. 714110C – Participant payroll;

7. 715100C – Other expenses;

7. 717100C – Purchases equipment and machinery; and

9. 717200C – Rentals equipment and other.

B. There is imposed on all executive branch agencies a freeze on the use of purchase cards.

VI. EMPLOYEE FURLOUGHS AND GOVERNMENT FACILITY CLOSURES

By April 25, 2025, the City Administrator shall present to the Mayor a plan to further reduce Fiscal Year 2025 expenditures through the:

1. Furloughing of District Government employees; and

2. Closure of District Government facilities; provided, that the following facilities shall be exempt from closure: District of Columbia Public Schools educational facilities, St. Elizabeths Hospital, Department of Behavioral Health Stabilization Center and Comprehensive Psychiatric Emergency Program facilities, and Department of Human Services shelters.

VII. AUTHORITY OF THE CITY ADMINISTRATOR TO TAKE ADDITIONAL GAP-CLOSING MEASURES

The City Administrator may take additional actions, as deemed appropriate by the City Administrator, to reduce District Government expenditures, including, but not limited to, the early termination of contracts, leases, grants, and agreements; reductions in force and other employee layoffs; and reductions to any other category of expenditures.

VIII. WAIVER OF RESTRICTIONS

A. 1. The City Administrator may waive any of the restrictions set forth in section II, III, IV, or V of this Order pursuant to the standards set forth in subsection B of this section.

2. The Mayor's Chief of Staff, with notice to the City Administrator, may waive any of the restrictions set forth in sections II.A. and IV. of this Order, with respect to an employee in, or purchase by, the Executive Office of the Mayor, pursuant to the standards set forth in paragraph B of this section and the procedures set forth in subsection C of this section.

B. A waiver may be granted for an action or expenditure that is:

1. Necessary to protect or promote the public health, safety, or welfare;

2. Necessary to ensure compliance with a law, regulation, collective bargaining agreement, or court order;

3. Necessary to carry out an essential function of the District Government;

4. Expected to result in the generation of revenue for the District Government; or

5. Funded in whole or in significant part by non-governmental funds.

C. To seek a waiver:

1. An agency shall submit a waiver request to the Deputy Mayor to which the agency reports (or, in the case of an agency in the Government Operations cluster, to the Assistant City Administrator and, in the case of an agency that reports to the Executive Office of the Mayor, to the Mayor's Chief of Staff).

2. The Deputy Mayor, Assistant City Administrator, or Mayor's Chief of Staff shall review each waiver request and submit to the City Administrator their recommendation to approve or disapprove the waiver request, along with a statement of the reasons for their recommendation.

3. In the circumstances described in subsection A.2. of this section, the Mayor's Chief of Staff shall instead consult with the City Administrator on the requested waiver.

D. Notwithstanding subsections A, B, and C of this section, no waiver request shall be submitted, and no waiver request shall be approved, for international travel.

IX. CONTROLS BY THE OFFICE OF THE CHIEF FINANCIAL OFFICER

For the reasons stated below, the Board **APPROVES** the request for modification.

ORIGINAL APPLICATION. In Application No. 16930, the Board approved the request by Lawrence N. Brandt, Inc. for variance and special exception relief under the ZR58 regulations to construct an office building to serve as the National Association of Realtors headquarters building, with ground floor retail uses. The Board issued Order No. 16930 on November 4, 2002. (Exhibit 16-A of the record for Case No. 16930-A.) The approval was subject to three conditions:

1. The Applicant shall construct the building in conformance with the building plans prepared by Graham Gund and SMB Architects.
2. The tower proposed on the north side of the building shall only be used as an architectural embellishment and shall not be used for any other purpose.
3. The Applicant shall recommend in writing to DDOT that no solid barrier or wall separate the proposed loading area in public space on the west side of the building from the sidewalk area. The Applicant shall submit a copy of said recommendation to the Office of Zoning for submission in the application record.

PROPOSED MODIFICATION. On December 11, 2024, National Association of Realtors (the "**Applicant**"), submitted a request for a modification with hearing to Order No. 16930. (Exhibits 1-12.) The proposed modifications included eliminating Condition No. 3 and removing the loading facilities of an existing office building. The Applicant submitted revised plans reflecting these modifications. (Exhibit 24.) The Applicant proposes to modify the conditions by eliminating Condition No. 3 noted above.

Based on the proposed modifications, the Applicant requests:

- Special Exception from the loading requirements of Subtitle C § 901.1, pursuant to Subtitle C § 909 and Subtitle X § 901.2 (*1 loading space and 2 loading berths required; 1 loading space and 1 loading berth existing; 0 loading spaces and 0 loading berths proposed*)
- Special Exception from the loading size and layout requirements of Subtitle C § 905.4, pursuant to Subtitle C § 909 and Subtitle X § 901.2

The zoning relief requested in this case was self-certified. (Exhibit 8.)

NOTICE OF THE REQUEST FOR MODIFICATION. Pursuant to Subtitle Y § 704.5, the Applicant served the request for a modification with hearing on the parties to the original application. (Exhibit 7.) The Board referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

PARTIES. The parties to this case were the Applicant and Advisory Neighborhood Commission ("**ANC**") 6E.

ANC REPORT. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on February 27, 2025, at which a quorum was present, the ANC voted to support the modification. (Exhibit 18.) The ANC report raised no issues or concerns.

OFFICE OF PLANNING ("OP") REPORT. OP submitted a report recommending approval of the modification. (Exhibit 20.)

DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT. DDOT submitted a report indicating that it had no objection to the modification with the condition that the Applicant implement the proposed Loading Management Plan "LMP" and Transportation Demand Management "TDM" Plan included with the DDOT report as Attachment 1 and Attachment 2, respectively. (Exhibit 21.) The Board did not adopt the TDM Plan as condition of the Order; however, the Board notes the Applicant's commitment to implementing the TDM Plan at the site. The LMP is adopted as a condition of this order.

CONCLUSIONS

Pursuant to Subtitle Y § 704.1, any request for a modification that does not meet the criteria for a

modification without hearing[1] requires a public hearing and shall be processed as a modification with hearing. The Applicant's request complies with Subtitle Y § 704, which provides the Board's procedures for considering requests for modifications with hearing.

As directed by Subtitle X § 901.2, and Subtitle Y § 704, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case for special exceptions, and modification with hearing.

Pursuant to Subtitle Y § 604.3, the order of the Board may be in summary form where granting an application when there was no party in opposition. As a summary order, it does not constitute binding legal precedent on the Board and shall not be considered by the Board in evaluating future applications.

DECISION

Based on the case record and the testimony at the hearing, the Board concludes that the applicant has satisfied the burden of proof for a modification with hearing to modify Board of Zoning Adjustment Order No. 16930 by eliminating Condition No. 3 and removing the loading facilities of an existing office building in the D-3 zone, and for the requested relief:

- Special Exception from the loading requirements of Subtitle C § 901.1, pursuant to Subtitle C § 909 and Subtitle X § 901.2 (*1 loading space and 2 loading berths required; 1 loading space and 1 loading berth existing; 0 loading spaces and 0 loading berths proposed*)
- Special Exception from the loading size and layout requirements of Subtitle C § 905.4, pursuant to Subtitle C § 909 and Subtitle X § 901.2

Accordingly, it is **ORDERED** that the modification request is **GRANTED** consistent with the plans shown in the record at Exhibit 24, subject to the following **CONDITIONS**, which shall replace and supersede the conditions of BZA Order No. 16930:

1. The tower proposed on the north side of the building shall be only used as an architectural embellishment and shall not be used for any other purpose.

2. The Applicant shall implement the Loading Management Plan (LMP) as described in the DDOT Report. (Exhibit 21, Attachment 1).

In all other respects, Order No. 16930 remains unchanged.

DECISION DATE (20554):	December 14, 2022

SUMMARY ORDER ON REQUEST FOR TWO-YEAR TIME EXTENSION

ORIGINAL APPLICATION. In Application No. 20554, the Board of Zoning Adjustment ("**Board**" or "**BZA**") approved the request by Sasha Bruce Youthwork, Inc. (the "**Applicant**") for special exception relief to permit a youth residential care home for up to 15 persons in an existing, three-story, detached building in the RF-1 zone. The Board issued Order No. 20554 on December 19, 2022 (the "**Order**," Exhibit 2). Pursuant to Subtitle Y § 604.11, the Order became effective ten days after issuance. Pursuant to Subtitle Y § 702.1, the Order was valid for two years from the time it became final.

REQUEST FOR TIME EXTENSION. On December 13, 2024, the Applicant submitted a request that the Board grant a six-month extension of Order No. 20554.[1] (Exhibits 1-4.)

NOTICE OF THE REQUEST. Pursuant to Subtitle Y § 705.2(a), the Applicant provided proper and timely notice of the request for time extension to the parties to the underlying case. (Exhibit 6.)

PARTIES. The parties to this case were the Applicant and Advisory Neighborhood Commission ("**ANC**") 6A.

ANC REPORT. The ANC's report indicated that at a regularly scheduled, properly noticed public meeting on February 13, 2025, at which a quorum was present, the ANC voted to support the request. (Exhibit 7.)

[1] The Applicant originally requested a six month time extension, however, at the public meeting, the Board approved a one-year time extension.

OFFICE OF PLANNING ("OP") REPORT. OP submitted a report recommending approval of the time extension. (Exhibit 8.)

DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT. DDOT did not submit a report to the record.

CONCLUSIONS

This request for extension is pursuant to Subtitle Y § 705 of the Zoning Regulations, which permits the Board to extend the time periods in Subtitle Y § 702.1 for good cause shown upon the filing of a written request by the applicant before the expiration of the approval.

Pursuant to Subtitle Y § 705.2(a), the Applicant shall serve on all parties to the application and all parties shall be allowed 30 days to respond. Pursuant to Subtitle Y § 705.2(b), the Applicant shall demonstrate that there is no substantial change in any of the material facts upon which the Board based its original approval of the application. Finally, under Subtitle Y § 705.2(c), good cause for the extension must be demonstrated with substantial evidence of one or more of the following criteria: (1) An inability to obtain sufficient project financing due to economic and market conditions beyond the applicant's reasonable control; (2) an inability to secure all required governmental agency approvals by the expiration date of the Board's order because of delays that are beyond the applicant's reasonable control; or (3) the existence of pending litigation or such other condition, circumstance, or factor beyond the applicant's reasonable control.

Based upon the record before the Board and having given great weight to the appropriate recommendations and reports filed in this case, the Board finds that the Applicant has met the criteria of Subtitle Y § 705.2 to extend the validity of the underlying order.

Pursuant to Subtitle Y § 705.4, the Board's decision on the request shall be in writing and shall become final and effective upon its filing in the record and service upon the parties.

DECISION

It is therefore **ORDERED** that the request for a one-year time extension to the validity of the Board's approval in Order No. 20554 is hereby **GRANTED**, and the Order shall be valid until **December 19, 2025**.

SUMMARY ORDER

RELIEF REQUESTED. The application requests the following relief in order to construct a rear staircase enclosure and create a second dwelling unit to convert an existing, attached, four-story principal dwelling unit into a residential flat in the RA-2 zone:

- Special Exception from the rear yard requirements of Subtitle F § 207.1, pursuant to Subtitle F § 5201 and Subtitle X § 901.2. (*15 ft. minimum required; 10 ft. 2 inches existing; 2 ft. proposed*)
- Area Variance from the floor area ratio requirements of Subtitle F § 201.1, pursuant to Subtitle X § 1002 (*1.8 maximum FAR permitted; 2.2 existing; 2.23 proposed*)
- Area Variance from the lot occupancy requirements of Subtitle F § 210.1, pursuant to Subtitle X § 1002 (*60% maximum permitted; 84.19% existing; 87.7% proposed*)

The zoning relief requested in this case was self-certified. (Exhibit 41A (Final Updated).)[2]

PARTIES. The parties to this case were the Applicant and Advisory Neighborhood Commission ("**ANC**") 1C, the "affected ANC" pursuant to Subtitle Y §§ 101.8 and 403.5(b) of the Zoning Regulations (Title 11 of the DCMR, Zoning Regulations of 2016, to which all references are made unless otherwise specified).

NOTICE OF THE APPLICATION AND PUBLIC HEARING. The Board of Zoning Adjustment (the "**Board**") referred the application to the appropriate agencies and provided proper and timely notice of the public hearing in accordance with Subtitle Y § 402.1.

ANC REPORT. ANC 1C submitted two reports to the record:

- The first ANC report, dated October 28, 2024, indicated that at a regularly scheduled, properly noticed public meeting on October 9, 2024, at which a quorum was present, the ANC voted to support the application. (Exhibit 18A.)

[1] The application was originally scheduled for hearing on November 13, 2024, and was postponed twice at the Applicant's request. The application was re-noticed to reflect the amended relief. (Exhibits 32, 33.)

[2] The application was amended to add the two area variances – from the rear yard requirements of Subtitle F § 207.1 and from the floor area ratio requirements of Subtitle F § 201.1.

- The final ANC report, dated March 7, 2025, indicated that at a regularly scheduled, properly noticed public meeting on March 5, 2025, at which a quorum was present, the ANC voted to support the amended application. (Exhibit 37.)

The ANC raised no issues or concerns in either report.

OFFICE OF PLANNING ("OP") REPORT. OP submitted two reports to the record:

- The original OP report, dated January 17, 2025 noted the applicant's need to work with the Zoning Administrator's office and OP to clarify the relief. OP indicated that it was unable to make a recommendation at that time. (Exhibit 24.)
- The supplemental OP report, dated March 20, 2025, recommended approval of the application as amended. (Exhibit 39.)

DISTRICT DEPARTMENT OF TRANSPORTATION ("DDOT") REPORT. DDOT did not submit a report to the record for this application.

PERSONS IN SUPPORT. The Board received two letters from neighbors in support of the application. (Exhibits 44 and 46.)

CONCLUSIONS

Pursuant to Subtitle Y § 604.3, the order of the Board may be in summary form where granting an application when there was no party in opposition. As a summary order, it does not constitute binding legal precedent on the Board and shall not be considered by the Board in evaluating future applications.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested special exception and variance relief can be granted because:

- It is in harmony with the general purpose and intent of the Zoning Regulations and Map;
- It will not tend to affect adversely the use of neighboring property;
- Pursuant to Subtitle X § 901.2(c), the relief satisfies the specified conditions for special exception relief;
- There exists an exceptional or extraordinary situation or condition related to the property;
- The exceptional condition creates a practical difficulty, in the case of an area variance, or an undue hardship, in the case of a use variance, in complying with the Zoning Regulations;
- The relief can be granted without substantial detriment to the public good; and
- The relief can be granted without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

DECISION

Based on the case record and the testimony at the hearing, the Board concludes that the applicant has satisfied the burden of proof for the requested relief:

- Special Exception from the rear yard requirements of Subtitle F § 207.1, pursuant to Subtitle F § 5201 and Subtitle X § 901.2. (*15 ft. minimum required; 10 ft. 2 inches existing; 2 ft. proposed*)

(Square 2575, Lot 843) (the "subject property").

A notice of proposed rulemaking was published in the January 10, 2025 edition of the *D.C. Register* (72 DCR 000297). The Office of Zoning scheduled a public hearing on the application for February 26, 2025 and provided written notice to the public more than 40 days in advance of the public hearing in accordance with Subtitle Y § 402.1. On December 24, 2024, the Office of Zoning referred the application to the United States Department of State, the National Capital Planning Commission, the Commission of Fine Arts, the District of Columbia Office of Planning ("OP") and the Historic Preservation Office, the District Department of Transportation ("DDOT"), Advisory Neighborhood Commission ("ANC") 1C, whose boundaries encompass the subject property, as well as ANC 1A, also an "affected" ANC,[1] the Single Member District Commissioners for ANC 1C01 and 1A01, the Office of Advisory Neighborhood Commissions, the Department of Buildings, the Councilmember for Ward 1 as well as the Chairman and the at-large members of the D.C. Council, and to the owners of all property within 200 feet of the subject property. In addition, the Applicant posted notice on the subject property in plain view of the public in accordance with Subtitle Y § 402.3, and notice of the hearing was published in the *D.C. Register*.

[1] See Subtitle B § 100.2 and Subtitle Y § 101.8.

THE APPLICATION

Background. The application was filed on December 5, 2024 accompanied by a letter from the United States Department of State certifying the Applicant had complied with § 205 of the Foreign Mission Act (22 USC § 4305) and that the application could be submitted to the Board. (Exhibit 11.) The application sought approval of a new security fence, requiring grading and a retaining wall, and improvements to an existing enclosure for trash containers and a new emergency generator at the rear of the subject property. The Applicant did not propose any changes to the principal building and did not request any other relief related to zoning or public space in this application.

The property that is the subject of this application is a through lot fronting on 16th Street to the east and Mozart Place to the west. The subject property is generally rectangular, with a lot area of 26,775 square feet. The subject property is improved with a three-story detached building that was constructed in 1917 to house the Cuban embassy.[2]

The subject property is located in Residential Apartment (RA) zones and is spilt-zoned RA-2 and RA-4. The principal building is located entirely within the RA-4 portion of the lot. This application concerns the portion of the subject property abutting Mozart Place, which is zoned RA-2.

Proposed expansion. The Applicant proposed to replace an existing chain-link security fence at the rear of the subject property with a new iron security fence installed above a retaining wall and to make improvements to an existing enclosure for trash containers and a new generator. The new security fence will extend 74 feet across the rear lot line of the subject property from the north side lot line to the new enclosure. The new fence will utilize cast iron finials set approximately 3.9 inches apart, and will be eight feet in height above a retaining wall 3.5 feet in height and eight inches thick. The retaining wall will be faced with a veneer stone.

The enclosure will be located at the southwest corner of the subject property, 22 feet wide and accessible from the interior of the lot but not from Mozart Place. The enclosure will be bounded by a solid opaque fence that will align in height with the new security fence.

Mixed-Use Determination. The RA-2 zone is a low-density residential zone as defined in Subtitle X § 200.2. An existing chancery in a low- to medium-density residential zone may be expanded, subject to disapproval by the Board of Zoning Adjustment in accordance with the review standards of Subtitle X § 201.8. (Subtitle X § 202.1.) For applications requesting to expand a chancery in a low- to medium-density residence zone, the Board must determine whether the proposed location is in a mixed-use area determined on the basis of existing uses, including office and institutional uses. (Subtitle X § 201.3.)

[2] The building served as the Cuban embassy until 1961, when diplomatic ties between the United States and Cuba were severed. Between 1977 and 2015, the building functioned as the Cuban Interest Section in the United States. Once diplomatic relation with Cuba were restored, the building resumed its status as a chancery and officially reopened on July 20, 2015.

For purposes of the mixed-use area determination, the "area" must be the area that the Board determines most accurately depicts the existing mix of uses adjacent to the proposed location of the chancery. (Subtitle X § 201.4.) Consistent with Subtitle Y § 301.6, the Applicant submitted a calculation of the land area within Square 2575 identified by lot numbers, with an indication of the authorized use of each lot. (Exhibit 32A.) According to the Applicant, Square 2575 contains 37,632 square feet of residential land use and 97,889 square feet of non-residential land use, so that approximately 72 percent of the square is devoted to non-residential uses. The Office of Planning concurred with the Applicant's calculations and assertion of a mixed-use area. (Exhibit 35.)

The Board agreed with the Applicant and the Office of Planning that the relevant area in this case is Square 2575, which accurately depicts the existing mix of land uses adjacent to the subject property. Because the existing non-residential uses in Square 2575 occupy more than 50 percent of the square's land area, the Board determined that the area is mixed-use and thus meets the requirement of Subtitle X § 201.3 for consideration of the chancery application consistent with the criteria provided in the Foreign Missions Act.

FOREIGN MISSIONS ACT CRITERIA

Pursuant to § 206(d) of the Foreign Missions Act, D.C. Official Code § 6-1306(d), the Board must consider six enumerated criteria when reviewing a chancery application and must base its decision solely on the six criteria. The provision further dictates who is to make the relevant finding for certain factors. The factors and relevant findings are as follows.

1. **The international obligation of the United States to facilitate the provision of adequate and secure facilities for foreign missions in the Nation's Capital.**

In a letter dated January 16, 2025, the Department of State determined that favorable action on this application would fulfill the international obligation of the United States to facilitate the Embassy of the Republic of Cuba in acquiring adequate and secure premises to carry out their diplomatic mission. (Exhibit 16.) The Office of Planning recommended approval of the application. (Exhibits 21, 35.) As recommended by the Secretary of State and the Office of Planning, the Board finds that favorable action on the application will fulfill the international obligation of the United States to facilitate the acquisition of adequate and secure premises by the Government of the Republic of Cuba for its diplomatic mission in the Nation's Capital.

2. **Historic preservation, as determined by the Board of Zoning Adjustment. In carrying out this section, and in order to ensure compatibility with historic landmarks and districts, substantial compliance with District of Columbia and federal regulations governing historic preservation shall be required with respect to new construction and to demolition of or alteration to historic landmarks.**

The subject property is located in the Meridian Hill Historic District, in which the principal building is a contributing structure. As shown in the plans, the Applicant modified the design of the proposed fences, retaining wall, and attendant grading in response to comments from the Office of Planning, including the Historic Preservation Office. (Exhibits 6, 33A.) Based on the evidence and testimony in the record, the Board finds that this criterion is met.

3. **The adequacy of off-street or other parking and the extent to which the area will be served by public transportation to reduce parking needs, subject to such special security requirements as may be determined by the Secretary of State, after consultation with federal agencies authorized to perform protective services.**

The Applicant's proposal will not affect existing conditions with respect to parking. The Department of State determined that there exist no special security requirements relating to parking in this case. (Exhibit 16.) DDOT submitted a report on February 14, 2025 stating no objection to approval of the application. (Exhibit 23.) Based on the evidence and testimony in the record, the Board finds that this criterion is met.

4. **The extent to which the area is capable of being adequately protected, as determined by the Secretary of State, after consultation with federal agencies authorized to perform protective services.**

The Department of State, after consulting with the Federal agencies authorized to perform protective services, determined that the subject site and area are capable of being adequately protected. (Exhibit 16.)

5. **The municipal interest, as determined by the Mayor of the District of Columbia.**

The Office of Planning, on behalf of the Mayor of the District of Columbia, determined that approving the application was in the municipal interest. (Exhibit 21.) Based on the evidence and testimony in the record, the Board finds that this criterion is met.

6. **The federal interest, as determined by the Secretary of State.**

The Department of State determined that there is a federal interest in this project. Specifically, the Department of State acknowledged the assistance of the Government of the Republic of Cuba in addressing the United States' zoning and permit needs required for the construction of a new fence at the U.S. chancery in Havana. The State Department also noted that such cooperation was essential for successfully achieving the Federal Government's mission of providing safe, secure, and functional facilities for the conduct of U.S. diplomacy and the promotion of U.S. interests worldwide. (Exhibit 16.) Based on this determination, the Board finds that this criterion has been met.

Great Weight

The Board is required under §13(d) of the Advisory Neighborhood Commission Act of 1975, effective March 26, 1976 (D.C. Law 1-58: D.C. Official Code § 1-309.10(d); Subtitle Y § 406.2) to give great weight to the issues and concerns raised in the written report of an affected ANC, which in this case is both ANC 1C and ANC 1A. By letter dated February 12, 2025, ANC 1C indicated that, at its duly noticed public hearing on February 5, 2025, with a quorum present, ANC 1C voted in support of the proposed retaining wall, fence, and screening to be erected at the rear of the existing chancery property located at 2630 16th Street, NW. (Exhibit 22.) By letter dated February 12, 2025 and co-signed by the chairman of ANC 1A, the single member district commissioner for ANC 1A01 indicated that ANC 1A was in support of the application. (Exhibit 27.) For the reasons discussed above, the Board agrees with the ANCs that the application should not be disapproved.

Based on its consideration of the six criteria discussed above, and having given great weight to the affected ANCs, the Board has decided not to disapprove the application. Accordingly, it is hereby **ORDERED** that the application is **NOT DISAPPROVED** subject to the plans shown at Exhibit 33A.
