DEPARTMENT OF HEALTH

NOTICE OF PROPOSED RULEMAKING

The Director of the Department of Health, pursuant to the authority set forth in Sections 302(13) and (14) of the District of Columbia Health Occupations Revision Act of 1985 ("Act"), effective March 25, 1986 (D.C. Law 6-99; D.C. Official Code § 3-1203.02 (13) and (14)), and Mayor's Order 98-140, dated August 20, 1998, hereby gives notice of the following proposed amendments to Section 4602 (Educational and Training Requirements) and Section 4611 (Pre-licensure Practice by Postgraduate Physicians) of Chapter 46 (Medicine) of Title 17 (Business, Occupations, and Professionals) of the District of Columbia Municipal Regulations (DCMR).

Amendments to Section 4602 and Section 4611 are necessary due to changes in the accrediting bodies of Canadian medical schools. As of June 30, 2025, the Liaison Committee on Medical Education (LCME), the accrediting body for medical schools in the United States, is no longer accrediting Canadian medical schools. Therefore, individuals who graduate from a Canadian medical school on or after July 1, 2025, will be considered foreign-trained medical graduates. As such, in order to qualify for a medical license in the District of Columbia, these individuals will have to meet the qualifications of a foreign-trained physician, which is clarified by the amendment to Section 4602. Additionally, in order to participate in a U.S.-based graduate medical education (GME) program accredited by the Accreditation Council for Graduate Medical Education (ACGME), individuals who graduate from a Canadian medical school on or after July 1, 2025, will be required to obtain certification from the Educational Commission for Foreign Medical Graduates (ECFMG Certification) or hold a full and unrestricted license to practice medicine in the jurisdiction in which the ACGME program is located. This is reflected in amendments in Section 4611.

Additional amendments to Section 4611 are being proposed to better align the medical training license (MTL) period to the GME program processes. Many programs have begun to start earlier than the traditional start date of July 1 to incorporate additional orientation and introductory skills. However, the MTL is currently limited to a one-year period with annual renewals, which means a first-year MTL granted prior to July 1 would expire prior to June 30, the end of the first year program. Thus, the Board of Medicine (Board) has recommended MTLs for the first year of the GME program to be able to be licensed for up to thirteen (13) months. The Board also recommends that second and subsequent year MTLs be issued for a maximum of three (3) years or the end of the GME program, whichever time period is shorter. This will ease the administrative burden of annual renewals for physicians-in-training, the GME programs, and the licensing staff. Additional clarity is being proposed to specify that the ACGME limitations on working hours is applicable to those physicians in an ACGME-accredited program. Because both the GME programs and the MTL holders are required to report to the Board any change in status including probation or termination, Board oversight will not be impacted.

The Director intends to take final rulemaking action to adopt these rules in not less than thirty (30) days after the date of publication of this notice in the *District of Columbia Register*.

Title 17, BUSINESS, OCCUPATIONS, AND PROFESSIONALS, of the DCMR is amended as follows:

Chapter 46, MEDICINE, is amended as follows:

Section 4602, EDUCATIONAL AND TRAINING REQUIREMENTS, is amended as follows:

Subsection 4602.1 is amended to read as follows:

4602.1 An applicant for licensure by examination educated in a foreign country other than an applicant who graduated on or before June 30, 2025, from a Canadian medical school, shall furnish proof satisfactory to the Board that the applicant successfully completed educational and training requirements pursuant to § 4603.

Section 4611, PRE-LICENSURE PRACTICE BY POSTGRADUATE PHYSICANS, is amended to read as follows:

Subsections 4611.2 is amended to read as follows:

4611.2 Medical training licenses (MTLs) shall be classified as follows:

(a) Type I(A), postgraduate physicians enrolled in a postgraduate clinical training residency program who graduated from a U.S. medical school, or a Canadian medical school on or before June 30, 2025;

(b) Type I(B), foreign medical school-trained postgraduate physicians (not including Canadian medical school postgraduate physicians who graduated on or before June 30, 2025) enrolled in a postgraduate clinical training residency program; and

(c) Type II, foreign medical-school trained postgraduate physicians enrolled in an ACGME or Board approved postgraduate clinical training fellowship program.

Subsection 4611.7 is amended as follows:

Paragraphs (b) and (c) are amended to read as follows:

(b) Submit, not later than ninety (90) days prior to the commencement of the postgraduate physician's participation in a clinical training program in the District, the documentation required for a new medical training license application. The initial medical training license for the first year of a postgraduate training program may be for thirteen (13) months to accommodate orientation schedules that commence prior to the beginning of the training year but require a license due to the program orientation.

(c) Submit, prior to the commencement of the second or later training year, the documentation required for a medical training license renewal application for review no earlier than March 1st but not later than May 31st of the training year. An MTL I license issued after the first year of the postgraduate training program may be issued for the entirety of the program or for a three (3) year period, whichever is shorter;

Paragraph (i) is amended to read as follows:

(i) Practice medicine for no more than the maximum number of hours permitted by the ACGME if enrolled in an ACGME-accredited program; and

Subsection 4611.8 is amended as follows:

Paragraph (d) is amended to read as follows:

(d) If a graduate of a medical school outside the U.S., unless the medical school was in Canada and the applicant graduated prior to July 1, 2025, verification of a currently valid Educational Commission for Foreign Medical Graduates (ECFMG) certification;

Subsection 4611.11 is amended to read as follows:

4611.11 A medical training license shall be issued for a period not to exceed three (3) years.

GOVERNMENT OF THE DISTRICT OF COLUMBIA

ADMINISTRATIVE ISSUANCE SYSTEM

Mayor's Order 2026-086
May 22, 2026

SUBJECT: Declaration of a Public Emergency and Limited Juvenile Curfew

ORIGINATING AGENCY: Office of the Mayor

By virtue of the authority vested in me as Mayor of the District of Columbia pursuant to section 422 of the District of Columbia Home Rule Act, approved December 24, 1973, Pub. L. 93-198, 87 Stat. 790, D.C. Official Code § 1-204.22(11); section 5 of the District of Columbia Public Emergency Act of 1980, effective March 5, 1981, D.C. Law 3-149, D.C. Official Code § 7-2304; Commissioner Regulation 68-12, Article 48 of Police Regulations; 1968 D.C. Stat. Reg. 27, effective June 19, 1968; and 24 DCMR §§ 2200-2203, it is hereby **ORDERED** that:

I. BACKGROUND, FINDINGS, AND DECLARATION

1. Pursuant to the Juvenile Curfew Act of 1995, effective September 20, 1995, D.C. Law 11-48, D.C. Official Code §§ 2-1541 *et seq.*, the District of Columbia provides for a curfew for juveniles under the age of 17 beginning at 11:00 p.m. on weeknights, and midnight on the weekends, until 6:00 a.m. except in July and August, when curfew begins at midnight.

2. On December 19, 2025, the Council of the District of Columbia enacted temporary legislation mirroring emergency and permanent legislation introduced by Mayor Bowser, the Juvenile Curfew Second Temporary Amendment Act of 2025 (D.C. Act 26-218), that temporarily extended the citywide curfew's applicability to 17 year-olds and to weekend nights and empowered the Chief of Police to designate extended juvenile curfew hour zones in areas where the Chief has determined that the designation is appropriate to protect public safety or public or private property in extended juvenile curfew hour zones. The temporary legislation expired on April 15, 2026.

3. During a previous period in October 2025 when emergency legislation lapsed, the District saw an immediate increase in disorderly conduct and youth violence. For example, on October 13, a group that grew to more than 100 youth travelled from Navy Yard to Union Station, and then to Shady Grove. At one point, when they were running in and out of traffic, a 14-year-old youth was struck by a vehicle, sustaining minor injuries. At the same time, approximately 70 juveniles rampaged through the Gallery Place movie theater, destroying property, and stealing approximately $200 of merchandise. One juvenile assaulted an employee by striking them in the head with a water bottle. All of this violence and disorder in the theater happened in fewer than 10 minutes.

4. On April 16, 2026, I issued an Order declaring a public emergency, imposing a limited juvenile curfew of 11:00 p.m., extended the curfew to 17-year-olds, and authorized the Chief of Police to declare extended juvenile curfew zones. That emergency order, and similar emergency orders and legislation, were largely successful in reducing fights, violence, and vandalism by crowds of youth, though some youth continued to ignore the curfews and extended juvenile curfew zone designations and caused violence that endangered both themselves and others.

5. After that emergency order expired, in the Navy Yard on Saturday, May 16, 2026, at approximately 8:40 pm, at Chipotle restaurant, a melee among youth, some wearing medical masks to hide their face, broke out, including a high-visibility fight where participants in the melee wielded chairs as weapons, destroyed property, and terrified families eating dinner. A witness described it "like an ambush." https://wjla.com/news/local/chipotle-fight-washington-dc-father-rafael-jauregui-talks-protecting-kids-during-ambush-teen-takeovers-jeanine-pirro-prosecuting-parents (https://www.youtube.com/watch?v=0qaVr0PHkno).

6. Police were aware that a teen takeover in Navy Yard was advertised and responded quickly to the violence at Chipotle. But if the Chief of Police had had the power to designate an extended curfew zone, police could have ordered groups of juveniles to disperse before they went to Chipotle.

7. In calendar year 2026, the Chief of Police designated 19 curfew zones lasting no more than three days, which have resulted in just nine total curfew violations in the active zones.

8. The Council's inaction on extending the Juvenile Curfew Second Temporary Amendment Act of 2025, coupled with high-visibility unruly and violent acts by youth, has energized federal law enforcement and prosecutors. It is preferable to forestall the large gatherings in the first place and to rely on locally-grounded remedies, rather than have the federal government step in visibly and forcefully.

9. As set forth in Mayor's Order 2026-050, further evidence of the success of the extended curfew hours in safeguarding youth and protecting the public is that while there has been limited negative juvenile behavior in the extended juvenile curfew zones, the District has experienced instances of juvenile disorder in areas outside of designated extended juvenile curfew zones.

10. To protect the safety of juveniles, residents, and the general public, the Chief of Police continues to need the authority to declare extended juvenile curfew zones to prevent recurrence of violence and dangerous behavior by large groups of juveniles.

11. The District's holistic approach to youth development, recreation, mental health supports, and crime is helpful in reducing at risk behavior, including crime, by juveniles, but we need law enforcement responses as well.

12. Footage of unruly groups of youth, such as the individuals dressed in black wearing masks while fighting and hurling chairs at Chipotle, harm the District's reputation as a safe and fun place for visitors and residents alike and deter some visitors and residents from coming out and enjoying all the District has to offer.

13. This emergency order underscores to parents that they are responsible for their children's whereabouts and empowers them to demand that their children under 18 come home before 11:00 p.m. and stay away from large groups of juveniles in any designated extended juvenile curfew zone.

14. Expanded curfew authority is urgently needed at this time. Escalating instances of unruly and sometimes violent conduct of large groups of youth in commercial areas in the evenings in April, May, and June 2025 led to the enactment of the first Juvenile Curfew Emergency Amendment Act of 2025.

15. In order to protect the public peace and preserve the safety and welfare of persons and property in the District, it is necessary to exercise my authority to declare a public emergency, impose earlier juvenile curfew hours on weekends, extend the juvenile curfew to 17 year-olds, empower the Chief of Police to declare extended juvenile curfew zones in particular areas, and implement various emergency measures.

II. JUVENILE CURFEW ORDERED TO BE EXTENDED

1. The District's curfew is hereby ordered extended on an emergency basis, as to its applicability on the age of youth, the hours, and the locations where it can be declared.

2. All juveniles under the age of 18 years are subject to curfew that begins at 11:00 p.m. on May 22, 2026, until 6:00 a.m., and every night thereafter for fifteen days, ending on Saturday, June 6, 2026 at 11:59 p.m., with the same responsibilities for parents and custodians and the same excepted activities as provided for in the Juvenile Curfew Act of 1995.

3. The Chief of Police is empowered to designate extended juvenile curfew zones, applicable to a group of at least nine youth, in areas that he determines to be at risk for disorderly conduct by youth and establish an earlier curfew time of 8:00 p.m. for youth under 18 years old in those zones.

4. Pursuant to the Juvenile Curfew Act of 1995:

   a. A parent or guardian of a minor commits a violation of this Order if he or she knowingly permits, or by insufficient control allows, the minor to remain in a public place or on the premises of any establishment within the District during curfew hours; and

b. The owner, operator, or any employee of an establishment commits an offense if he or she knowingly allows a minor to remain upon the premises of the establishment during curfew hours.

III. INVOCATION OF OTHER EMERGENCY POWERS

1. The City Administrator, in consultation with the directors of any subordinate agencies, is authorized to implement any measures as may be necessary or appropriate to protect persons and property in the District from the effects of the present emergency, and to prevent violations of the curfew, including:

   a. Expansion of the program to remit youths in violation of the curfew to the custody of the Department of Youth Rehabilitation Services;

   b. Expansion of evening programming for youths at Department of Parks and Recreation facilities and by other agencies in other locations;

   c. Requesting grantees of violence interrupter grants to direct efforts towards youth, to guide them home or to healthy and constructive activities;

   d. Granting exemptions from budget restrictions on overtime or hiring for persons involved in enforcing the curfew;

   e. Requesting the Metropolitan Police Department to more robustly enforce criminal and juvenile code violations relating to incommoding persons and obstructing public spaces, disorderly conduct, public consumption of alcohol or marijuana, operation of all-terrain vehicles, and dirt bikes on public space, operation of e-bikes and scooters on sidewalks where prohibited, public urination, defacing public or private property, as well as more serious crimes involving assault, weapons, and robbery;

   f. Requesting the District Department of Transportation to order providers of rental e-bikes or scooters to geofence specific areas and bar the use of those vehicles in those areas during curfew hours or slow the maximum speeds of e-bikes and scooters; and

   g. Requesting the Department of For-Hire Vehicles to order taxis and for-hire vehicles to not enter specific areas during curfew hours.

2. Notwithstanding the District of Columbia Procurement Practices Reform Act of 2010, as amended, D.C. Official Code §§ 2-351.01 *et seq.*, or any other law governing contracts, grants, or partnerships or the incurring of obligations, the Chief Financial Officer is authorized to approve disbursement of all appropriations necessary to carry out this Order.

IV. ENFORCEMENT

1. Any person who violates the curfew imposed by this Order may be subject, for each violation, to a criminal fine of up to three-hundred dollars ($300) or to imprisonment for not more than ten (10) days pursuant to D.C. Official Code § 7-2307 and 24 DCMR § 2203.4, in addition to any other penalties or administrative remedies available by law.

2. Violations shall be referred as appropriate to the United States Attorney's Office for the District of Columbia, the Office of the Attorney General, and applicable District Government agencies. Additionally, any establishment violating this Order will be referred to the Department of Licensing and Consumer Protection for investigation for a possible suspension of its business license.

V. DURATION

1. The emergency declared by this Order shall be in effect until 11:59 p.m. on June 6, 2026 unless rescinded, modified, or extended by Mayor's Order or subsequent legislation.

2. The expanded hours and applicable ages of the juvenile curfew declared by this Order shall be in effect for the same time as this Order, unless rescinded, modified, or extended by Mayor's Order or subsequent legislation.

3. The powers accorded to the Chief of Police to declare extended juvenile curfew zones, over and above any powers already authorized by law, shall expire at the same time as the emergency.

VI. EFFECTIVE DATE: This Order shall become effective immediately.

ALCOHOLIC BEVERAGE AND CANNABIS ADMINISTRATION
ALCOHOLIC BEVERAGE AND CANNABIS BOARD

NOTICE OF LICENSEE EXTENSION OF HOURS
DURING SEPTEMBER 11-13, 2026 AND SEPTEMBER 18-20, 2026

The Alcoholic Beverage and Cannabis Board ("Board"), pursuant to the authority set forth in D.C. Official Code § 25-723(g), hereby gives notice that it is extending the authorized hours of sales, service, and consumption of alcoholic beverages at, and authorized hours of operation of, on-premises retailer licensees, manufacturers holding an on-site sales and consumption permit, and temporary licensees (collectively, "eligible licensees") for two separate event periods. The first event period will occur between Friday evening, September 11, 2026 and Sunday, September 13, 2026, until 4:00 a.m. The second event period will take place between Friday evening, September 18, 2026 and Sunday, September 20, 2026, until 4:00 a.m. Specifically, the Board is authorizing each eligible licensee to extend its hours of sales, service, and consumption of alcoholic beverages until 4:00 a.m. and extend its hours of operation to 24 hours each day, during the designated periods, if the eligible licensee: (1) registers with the Board no later than three (3) calendar days before each event's start date, and (2) pays a $100 fee for each event that the licensee is registering to participate.

The Board is taking this action pursuant to the authority provided by the On-Premises and On-Site Extended Hours Program Amendment Act of 2025, effective June 10, 2025 (D.C. Act 26-6) ("Act"). The Act added a new subsection (g) to section 25-723 of Title 25 of the District of Columbia Official Code. This new subsection authorizes the Board to extend the authorized hours of sales, service, and consumption of alcoholic beverages at on-premises retailer licensees, manufacturers holding an on-site sales and consumption permit, and temporary licensees until 4:00 a.m., and the hours of operation to 24 hours a day, for cultural events, sporting events, or tourism-related events; provided, that the licensee registers with the Board, pays the registration fee as established by the Board, and provides written notice to the Board no later than three (3) calendar days before the first day of the designated event of its extended hours of operations, sales, service, and consumption.

Under the law, a cultural event is defined as an event "that aims to highlight the customs, arts, music, dances, or cuisines of various cultures through performances and displays of artistic expression," D.C. Official Code § 25-723(g)(5)(A); a sporting event is defined as "a professional or amateur event involving a game or athletic competition that occurs either once annually or every 4 years that is organized by a league or association," D.C. Official Code § 25-723(g)(5)(B); and a tourism-related events is defined as "major festival, convention, or trade show, with the potential to attract visitors from outside a 50-mile radius of the District, and that is likely to produce a significant positive financial impact for the District," D.C. Official Code § 25-723(g)(5)(C). The eligible events and extended hour periods are listed below:

- **Art All Night 2026:** The extended hours for Art All Night 2026 will begin on Friday, September 11, 2026, and run through Sunday, September 13, 2026. This cultural event features a citywide festival that provides visual and performing arts attractions at indoor and outdoor public and private spaces all over the city and is expected to attract many

residents and visitors to Washington, DC. Eligible licensees must register and pay the required fee by Tuesday, September 8, 2026.

- **Congressional Black Caucus Weekend:** The extended hours for the Congressional Black Caucus Weekend for 2026 will begin on Friday, September 18, 2026, and run through Sunday, September 20, 2026. This premier cultural and tourism event brings together thousands of global leaders, policymakers, and influencers to Washington, DC for a series of high-profile forums, networking sessions, and gala events. Eligible licensees must register and pay the required fee by Tuesday, September 15, 2026.

In light of these important upcoming events, on May 20, 2026, the Board, in a 5-0 vote, decided to approve extending the hours of operation and alcohol sales for eligible licensees for the dates specified above.

The Board also directed ABCA to provide notice of these extended hours to the Metropolitan Police Department ("MPD") at least 48 hours before the extended hours of operation take effect, and to provide MPD with a list of the licensees authorized to participate in the extended hours. The Board also directed ABCA to promptly post notice of the Board's action to authorize the extended hours on the ABCA website and to promptly submit this notice to the Administrator of the Office of Documents and Administrative Issuances for publication in the *District of Columbia Register*.

FISCAL YEAR 2026

Industry-Driven Growth & New Income through Training & Employment (IGNITE) DC

Application Release Date: June 12, 2026

Application Submission Deadline: July 13, 2026

Pursuant to its role under Section 2 of the "Workforce Job Development Grant-Making Authority Act of 2012" (D.C. Code § 1-328.05); Section 4a of the "Workforce Investment Implementation Act of 2000" (D.C. Code § 32-1603.01; and the Workforce Innovation and Opportunity Act (WIOA), effective July 1, 2015 (29 U.S.C. 3101 et seq.), the District of Columbia Department of Employment Services (DOES) will issue a Request for Applications (RFA) for Industry-Driven Growth & New Income through Training & Employment (IGNITE) DC. The RFA will be online on the District Grants Clearinghouse and on the DOES website at the following page: https://does.dc.gov/page/grant-opportunities.

The goal of IGNITE DC is to transform training into employment and employment into economic mobility for District residents. The program brings WIOA to life through a bold, sector-driven model that converts training into measurable economic impact. By aligning industry-recognized micro-credentials with real-time labor market demand in high-growth sectors, the initiative accelerates measurable skill gains, credential attainment, unsubsidized employment, and wage progression. Through integrated career navigation, employer-informed design, and work-based learning, IGNITE DC moves beyond traditional training models to create a true talent-to-wealth pipeline delivering skilled professionals to employers while positioning District residents for long-term financial stability and career success.

In addition, IGNITE DC is strategically positioned to support Dislocated Workers by providing structured pathways back into the workforce following job loss or economic disruption. Through targeted training, individualized career services, and direct employer engagement, the program equips Dislocated Workers with the skills necessary to transition into in-demand industries and quality employment opportunities. This approach aligns directly with the Department of Labor's WIOA performance indicators, including employment in the second and fourth quarters after exit, median earnings, measurable skill gains (MSG), and credential attainment. By connecting training to industry-recognized credentials and real-time hiring opportunities, IGNITE DC supports participants in achieving measurable skill progression, securing unsubsidized employment, and increasing earning potential. These outcomes contribute directly to WIOA performance benchmarks while strengthening the District's workforce pipeline and supporting long-term economic stability for dislocated workers.

Eligibility: DOES will make these grants available through a competitive process. Eligible applicants include public and private non-profit and for-profit entities authorized to conduct business with the District government and capable of delivering industry-aligned occupational skills training that results in measurable employment outcomes. Eligible entities may include, but are not limited to, community-based organizations; faith-based organizations; public, charter, or alternative secondary schools; post-secondary institutions; workforce training providers; trade associations; chambers of commerce; employer-led partnerships; and private service providers. Applicants must demonstrate the capacity to provide training that leads to industry-recognized credentials, measurable skill gains, and unsubsidized employment aligned with high-demand industry sectors and WIOA performance indicators.

Available Funding for the Award: Up to $300,000.00 is available in total for awards through this RFA. DOES intends to issue at least one (1) grant award. $300,000.00 (100% of the award) is funded through a U.S. Department of Labor, Employment and Training Administration Workforce Innovation and Opportunity Action (WIOA) Dislocated Workers Formula Grant. Funds shall be used only for activities outlined in the scope of this RFA and in accordance with applicable federal and District requirements.

DOES will use the applicant's grant proposal to identify the number of participants the applicant plans to serve and determine an award amount. However, DOES maintains the right to adjust the grant award and amount based on funding availability. Determinations regarding the number of competitive grants to be awarded will be based on the quality and number of applications received 1 and available funding. GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF HUMAN SERVICES
ECONOMIC SECURITY ADMINISTRATION

NOTICE OF FUNDING AVAILABILITY

FY27 DC SNAP Employment and Training Program Grants

The Department of Human Services, Economic Security Administration (DHS/ESA) seeks eligible entities to propose a plan to provide employment and training services to low-income District residents through the Supplemental Nutrition Assistance Program Employment and Training (SNAP E&T) program. The SNAP E&T program is funded and administered federally through the U.S. Department of Agriculture – Food and Nutrition Administration (USDA-FNA). The program assists SNAP recipients in achieving their career goals by providing participants with a broad range of services focused on their interests and needs.

This is a cost-reimbursable grant funding opportunity that only covers a portion of total program costs. Each applicant must propose a program budget to serve SNAP E&T participants that includes other nonfederal funds covering 60% of their proposed budget, with SNAP E&T grant funds awarded covering the remaining 40% (with the exception of participant reimbursement costs, which are funded at 50% of total costs by SNAP E&T grant funds).

The total amount of funding available through this Request for Applications (RFA) is not predetermined and is instead contingent upon the amount of eligible program costs proposed to and approved by USDA- FNA for reimbursement in the District's fiscal year (FY) 2027 SNAP E&T State Plan (total costs submitted are informed by the results of this RFA process). DHS/ESA expects to make multiple awards in amounts to be determined by approved budgets submitted by selected applicants in response to this RFA. Award totals must be approved by both DHS/ESA and USDA- FNA and are subject to availability of federal funds, documentation that required nonfederal funds necessary to leverage federal funds are in place, and documentation that all costs proposed are allowable and reasonable.

The project period is one year, covering FY 2027 from October 1, 2026 - September 30, 2027. There is the option of up to three additional years for a total of four years, pending the availability of funds and DHS/ESA's determination that the grantee's performance has been of a high quality.

Beginning Monday, June 1, 2026, the full text of the Request for Applications (RFA) will be available on the DHS website. A person may obtain a copy of this RFA by any of the following means:
